Today's Visitors - OLDHAM

Today we greet Oldham as the leaders of the Second Division.

We note that they lost their unbeaten record last Saturday at Barrow and we look forward to lowering their colours as last season at the Barley Mow.

Dave Horn makes a welcome return today after injury and we are pleased to report Tony Clough is now in training as with Colin Butterfield who expects to return to the active list Saturday next after receiving clearance from his specialist.

Team selection in the next week or so should present a more pleasant problem to the coach Harold Moxon than in the past month.
