CLUB NOTES

TO-DAY'S GAME.—To-day we welcome to Parkside the Officials, Players and supporters of the Oldham Club. The prize at stake to-day for each of the competing teams is a big one — a place in the last four en route to Wembley. Amazingly enough this is only the third peace-time meeting between our two clubs in the Rugby League Challenge Cup since the First World War. Both the previous games were at Parkside too — in 1926/27 we were defeated by 15 pts. to 3, whilst in 1929/30 we won by 8 pts. to 3.

The name of Oldham must rouse memories in the minds of our older followers for in our greatest season 1907/8, when we took all the Four Cups, Oldham were our greatest rivals and it can be said with some justification that had Hunslet not accomplished the Four Cup feat then Oldham would have done so. We defeated them in the Second Round of the Challenge Cup that season and of course in the League Championship Final at Wakefield by 12 pts. to 2, after a 7-7 draw at Salford.

Pleasant though memories are, it is the present which concerns us this afternoon and the stage is set for a stern battle. Leaders of the Second Division, Oldham have had a resurgence this season under the guiding hand of a new player-coach, Frank Dyson, just as we did last season under Fred Ward. Under his charge, Frank, who himself has played many fine games at Parkside, has a fine blend of youth and experience.

We are, naturally, confident of our players' ability to win the day at the same time realising that a top-class performance will be necessary to do it.

CONGRATULATIONS.—We offer congratulations to our players Geoff Shelton and Dennis Hartley on their initial International selection for last Sunday's game with France at Perpignan and we congratulate them on the worthy parts they played in that victory gained by the new

look British side. The return of Geoff Gunney, very belatedly we think, to the International sphere has brought great pleasure to us all at Parkside. Geoff is having a great season and surely no club can have had a finer forward and club man.

We take the opportunity, too, of offering our congratulations to our visitors' loose-forward, Dave Parker, on his elevation to International status in the same game.

the experience gained by our young reserves, who replaced so many of our regular players absent in France or due to injury, was invaluable. All did their work well, responding finely to Fred Ward's leadership and it was indeed unfortunate that Alan Bancroft should come under the ban of the referee after such an auspicious start to his first team career. Congratulations too to Mick Mullins, who undertook the strange role of hooker with the same determination and spirit that has always characterised his play.

BILLY LANGTON'S BENEFIT.—This is well under way and various efforts for this unassuming and popular player are proving extremely successful. Indeed the organisers of the recent concert at Bateson Street Club hope to be able to hand over to the Fund, well over £100 — a magnificent effort!

JACKPOT.—Jackpot tickets are on sale all around the ground to-day. Make sure of yours — price 1/- each. The draw will be made at half-time by to-day's referee — Mr. R. Gelder. Winner at the last home match versus Hull on February 22nd was — Mr. J. D. Rhodes, 137 Wellstone Avenue, Leeds 13.
