CLUB NOTES

TEAM COMMENT.—Spectators at Hull Kingston Rovers Craven Park Ground will indeed be fortunate if they see any better games this season than last Saturday's. This game was full of all that is good in Rugby League and the issue open enough to hold the spectators right until the end. Is it coincidence that in this game the referee was firmly and confidently in control from the kick-off? Full marks to Mr. D. T. H. Davies for a top-class display with the whistle and to all the players for their response.

Looking at this game from a Club point of view it was unfortunate that we had to go into it without the attacking power of John Griffiths and Geoff Shelton and also that at half-time the power of Geoff Gunney was once again withdrawn from the pack, when chest trouble caused the retirement of Arthur Render.

Even so our team acquitted itself well and on several occasions came within inches of scoring the try which would have put Rovers in real trouble. If we mention Alan Preece and Fred Ward in particular it is solely because they turned in their best performances of the season so far.

CONGRATULATIONS.—To Geoff Gunney on his selection again for Great Britain. From all the favourable Press comment on his selection we feel that Alfred Drewry perfectly summed it all up when he said in the "Yorkshire Post" — "Gunney has been playing better than ever for Hunslet this season. His selection will give pleasure to a lot of people outside Hunslet, for his conduct on the field has always been above reproach. No matter what the provocation, I doubt whether anyone has seen him commit an action unworthy of a thorough sportsman."

TO-DAY'S MATCH.—With memories of March 14th last still fresh in our minds we welcome our visitors from Oldham this afternoon. Naturally our players will be anxious to gain revenge for our Cup defeat on that date but the men from Watersheddings are always a force to be

reckoned with. A first class performance from our boys will be necessary if we are to maintain our succession of home victories.

Geoff Shelton is, of course, still absent from our threequarter line and Geoff Gunney is in France with the Great Britain team but it may be that our leading try-scorer John Griffiths will have been declared fit to resume on the right wing.

Oldham were last here in League football on September 23rd, 1961 when we defeated them by 12 pts. to 7. Our team was :- Langton; Newall,
