## NOTES AND COMMENTS

At last we have been fortunate enough to obtain a home draw in the First Round of the Challenge Cup and our opponents will be the present Cup Holders, St. Helens. It is unfortunate that Workington Town and the Reds should also be at home on the same day, unfortunate for all three clubs, but that is the luck of the draw, and we must make the best of it.

Stand tickets will be on sale as from next week at 5/- each and season ticket holders wanting to claim their seats should do so not later than 2nd February. Ground admission will be 2/6 and an additional charge of 6d. will be made for transfer to the Enclosure. O.A.P. and Boys will remain at 1/-

We welcome Oldham as our visitors to-day. This season they are challenging strongly for League Honours and have proved themselves a formidable combination. The fact remains that they have never won at the Recreation Ground and our boys are determined to keep their record against them intact to-day.

Our win at Bramley last week was a meritorious one, achieved, as it was, with only 12 men in the second half. It is not known at the time of writing what "sentence" has been passed on McGuinness, but the Club has to thank our near neighbours at Barrow for their co-operation in an arrangement whereby we can have the use of their hooker, McKinnell, on loan.
