NOTES.

From the inception of the Lancashire Challenge Cup Competition in Season 1905-6 to the end of last season, the trophy has been competed for on 25 occasions, and has been won by five different clubs as the following record shews:

Wigan	1905-6	Warrington	1921-22
Broughton Rangers	1906-7	Wigan	1922-23
Oldham	1907-8	St. Helens Recreation	1923-24
Wigan	1908-9	Oldham	1924-25
Wigan	1909-10	Swinton	1925-26
Oldham	1910-11	St. Helens	1926-27
Rochdale Hornets	1911-12	Swinton	1927-28
Wigan	1912-13	Wigan	1928-29
Oldham	1913-14	Warrington	1929-30
Rochdale Hornets	1914-15	St. Helens Recreation	1930-31
Rochdale Hornets	1918-19	Salford	1931-32
Oldham	1919-20	Warrington	1932-33
Broughton Rangers	1920-21				

With respect to the Finalists of to-day, it is interesting to note that Oldham were successful (as shown) for the first time, so long ago as Season 1907-8.

NOTES—continued.

The "Recs." first won the Cup in Season 1923-24, a feat which is well remembered by the Swinton followers, as it was our team they defeated on a frost bound ground at Wigan, their remaining success was as recent as Season 1930-31, so that they are soon making a re-appearance in the Final.

It is difficult and unwise to attempt to forecast the result of to-day's encounter, as both teams can rise to great heights, and have done so during the present season, their paths to the Finals having been as follows: Oldham defeated Widnes at home, and Broughton Rangers and Wigan away, whilst "Recs." were fortunate enough to be drawn at home on each occasion, and defeated in turn Warrington, Swinton, and St. Helens, so that a close contest may be anticipated.

We hope the conditions will be favourable, and should like to see the capacity of our ground tested. Further terracing has been carried out, and we anticipate no difficulty in housing an attendance of 50,000, who will have a good view of the game.
