### TESTIMONIAL

Mr. Clark,

After three seasons' constant use of your football boots, I find them to be of the highest value for the Rugby game as regards comfort, durability and fitness.

I have never for one instant regretted wearing your make of boot whatever the condition of the grounds, and can thoroughly recommend them to all Rugby players.

Sincerely yours,

ERIC HARRIS, Australia.

AT PARKSIDE, SATURDAY NEXT, MAY 2nd. BROUGHTON & MOSS GRAND BENEFIT MATCH, HUNSLET v. YORKSHIRE XIII. Kick-off 3.30 p.m. Admission (Adults) 6d., Boys 2d. Several well-known players have signified their intention of turning out with the Yorkshire team and we hope our members, supporters and friends will rally round and so help to make the benefit a success. Tickets for the match, price 6d. are now on sale.

The Annual Meeting of the Football Section will be held in June. All nominations for Committee, signed by nominee, nominator and seconder, should be forwarded to the Secretary not later than May 14th. Nomination forms may be had from the Secretary at the Pavilion.

Our match with Oldham this afternoon is our concluding engagement of the season and a victory will probably see us finish up as sixth Yorkshire club with 41 points, compared with 42 points last season. As one of the second five Yorkshire clubs our inter-County fixtures next season will probably be Barrow, Halifax, Swinton, Oldham and Warrington; which compare favourably, from a gate standpoint, with the top five Lancashire clubs which are Liverpool Stanley, Widnes, Salford, Wigan and Broughton.

**CLUB CHAT—continued.**

**Hunslet C. C.** Our cricket season commences on Saturday next, May 2nd, when we visit East Leeds. As most of our supporters will be aware we have joined the newly-formed Leeds Central Cricket League, which comprises the following clubs—Hunslet, Holbeck, East Leeds, Burmantofts, Hunslet Nelson and Birstall; six clubs in all at the moment, but we are hoping that next season will see the League enlarged to something like nine or ten clubs. Leslie Phillips has again been elected captain, and we are pleased to say that we shall again have the services of W. Bedford and B. C. Ossitt. Whilst the Milner brothers and S. Falding are no longer with us we are hoping to introduce one or two newcomers together with some promising players from the second team. Our professionals this season are T. Bottomley, who was a professional with Keighley last season, and E. G. Crofts, formerly professional with Undercliffe. Bottomley has played with the County and is a regular selection for the Colts eleven and Crofts has also appeared for the Colts on several occasions.

Our Evening League programme commences on Tuesday, May 12th and our fixtures are, as last season, with Leeds, Holbeck, East Leeds, Burmantofts and Kirkstall Ed. As last year we are hoping to have the assistance of such well-known players as Arthur Bastow, H. Hainsworth, J. W. Lamb, etc.

**Membership Tickets by Instalments.**—It is thought that many of our supporters would welcome an opportunity to pay for their member's tickets in advance, by easy instalments. Any members, or prospective members, who wish to commence paying for their 1936-37 ticket may do so at once. Instalments may be paid to the Secretary, or to the Steward at the Pavilion. Rates of subscription are Gent. 25/- and 17/6, Lady 10/6, Boy or Girl 7/6. Begin your instalments to-day and have your ticket paid for by the commencement of next season.

#### SUPPORTERS' CLUB NOTES.

Another season's football has drawn to a close and to a great number of our supporters it will come as a relief. For some reason or other our team has not served up the high-class type of football that we have been accustomed to during the previous three or four seasons. The team spirit for which it has been renowned has been lacking and there has been too many weak links. Without doubt our forwards have not been as powerful as hitherto. Men of the ability of Crowther and Smith are not got hold of every day. It is certain that the Senior Committee know where the weakness lies and no doubt before September next, strenuous efforts will be made to procure the right type of players.

**Workshops' Competition**—During the next two or three weeks, matches will be played on this ground every week-night. This is the largest competition of its type held under the jurisdiction of the Rugby League. It is a genuine workshops' competition and if the games already played are to be taken as any criterion, the ensuing games are likely to prove worth watching. We appeal for your support—Do not let us appeal in vain.

**Hunslet Athletic Club**—Training has now commenced. For particulars apply to—J. C. Barwick, Hon. Sec., 76, Garnett Road, Leeds, 11.

**Broughon & Moss Benefit**—An exceptionally strong Yorkshire XIII will oppose the Hunslet Senior Team, on Saturday next, May 2nd. Admission 6d. Support the benefit and by doing so show your appreciation for the work done in the past by two faithful players of the club.
