## CLUB NOTES

We were provided with a very good game on Saturday when Featherstone Rovers visited Belle Vue. As you know we won, but chief interest was centred in the extra playing strength Trinity had recruited. Teall made a welcome reappearance and hopes to be able to play in the Cup Tie games—yes, we're optimistic! The other outside players in the Wakefield team created a very favourable impression.

This afternoon, Oldham provide the opposition in the First Round of the Yorkshire Cup. Seems strange to have Lancashire clubs in the Yorkshire Cup contest, but the war has altered a lot of things. We extend a cordial welcome to our friends from over the border.

Wakefield and Bramley have agreed to cancel their fixtures on account of the financial risk.

We were glad to note Harry Nicholson, who fractured a leg in the Keighley match, was able to be among the spectators last Saturday.

### TRINITY SCRAPS.

Ours was a strange side—ours was—last Saturday.

Three Warrington players and another from Hull Kingston Rovers.

Not forgetting the one and only "Bill Teall," who was able to make one of his all too rare appearances.

The football was not too bad considering the vile weather, which was so bad that it was rotten.

We did well to be six points in front—for Featherstone are a good side—and not to be "sneezed" at.

To-day is the First Round of the Yorkshire Cup—"and we meet a club from Lancashire."

But we are pleased indeed to meet Oldham, and very much appreciate their sporting effort to keep the "Rugby League Flag" flying—here's hoping for a good attendance and a fine game.

### TRINITY RHYMES No. 182.

We were talking to some people, and when we toldham  
That in the Yorkshire Cup Tie—Trinity played Oldham,  
They said—You must be "cranks,"  
For Oldham is in Lanc.'s,  
'Tis strange and true—yet, "like brothers in our arms," we foldham.
