OFFICIAL NOTES (continued).

We were glad to be able to give a game to Chapman, "Stan" and Albert Pepperell as well as to Bawden, in the Infirmary Cup match against Halifax at Thrum Hall last week-end. They all played a worthy part in our successful retention of the trophy with the scores 15 points to 9.

Things are looking up in Schools and District League football and more teams are coming into the game.

Russell Pepperell is now overseas. To him and all our players serving in the Forces we wish the very best of luck and a safe and speedy home coming.

The H.C. & A.C. "Special Effort" will make its re-appearance on similar lines to last season on the occasion of the Wigan match at Fartown, a fortnight hence.

Winning Numbers—Look out for the half-time blackboard announcement. If you have a programme registering a winning number, please hand in to the Pavilion where a 2/6 prize awaits you.

Just one word to our followers. We are greatly in need of **Clothing Coupons** to enable us to purchase football jerseys, etc. Our appeal, made for a similar reason a year or so ago, met with a very gratifying response. Can you help us again? If one coupon even is your limit of assistance it will be very welcome. Do what you can, please. Call personally or post on to the Pavilion. Our grateful thanks will be extended to you.

OFFICIAL NOTES.

To-day sees the opening of the 5th Consecutive season of Wartime Emergency Rugby League Football with our old time and always popular guests from Oldham supplying our first home attraction.

We feel sure it is the wish of our members and supporters generally, that we should continue to "play the game" so long as our activities do not interfere with the National War effort.

We shall try to field as strong a side as possible throughout the season and except that we do not meet Bradford in the Emergency League, we have a very attractive programme of matches. We have arranged a couple of "friendlies" with Northern.

"Dave" Cotton has decided to throw in his lot with Keighley this season and Belshaw is leaving us to play with Wigan. Belshaw is now in the Forces.

We shall miss both these Warringtonians. They have rendered us good service in this Wartime period. Fortunately Wade is available for the full back position and to-day we are including Davies, a Swinton hooker and friend of Jack McGurk.

The recent practice matches on our ground revealed some very promising local talent and already Baxter, of Netherton, has made his first appearance with us at Halifax last week-end. Baxter is a 2nd row, or loose forward.

Alex Fiddes, now in the best of trim, is again Captain. Our Castleford guest forwards are with us once more and we have a new comer, Lyon of Hull (he is at present working in Huddersfield), a front or 2nd row man. Willie Davies, Grahame and Green will, we hope, be able to play regularly as also will Alex Givvons. It is quite "on the cards" that several local players, in addition to Baxter, will get their chance during the present season.

Best Wishes to our Players in H.M. Forces.
