**Official Notes (continued).**

the rivalry has made the game a special attraction, whether at Fartown or Watersheddings. We feel sure today's game will be no exception to the rule.

Bradford Northern's exit from the Yorkshire Cup has given us an early chance of re-arranging our League match, postponed on November 11th. Bradford Northern will come to Fartown on January 6th, thus cancelling out the "friendly" with Keighley at Fartown on that day.

**Winning Numbers**—Look out for the half-time blackboard announcement. If you have a programme registering a winning number please hand in to the Pavilion where a 2/6 prize awaits you.

Members of H.M. Forces in hospital blue will be admitted free of charge to all matches at Fartown this season.

### OFFICIAL NOTES

We have been asked by our Huddersfield & District League Officials to give prominence in to-day's jottings to a forthcoming special event in which they invite the sympathetic co-operation of all Fartown followers. The matter in question concerns a Benefit Match on behalf of last season's College Old Boys' captain, D. Wildman, a very promising youngster. Wildman was injured in a football match towards the end of last season and since then has had a serious illness lasting 6 months. The Benefit Match will be at Fartown on Saturday, December 2nd, when College Old Boys will play Moldgreen. Kick-off 3 p.m. We hope that Wildman will soon be fully returned to health and strength and that the Benefit will be very successful. Tickets for the match (price 4d.) are now on sale.

Another forthcoming event to which all Fartowners are invited to join in is a Whist Drive and Dance (on behalf of the H.C. & A.C.) organised by the Special Efforts Sub-Committee. This will be held at the Co-op Hall on Wednesday, December 13th. Tickets 2/- each. (Members of H.M. Forces in uniform, 1/- at the door). Whist commences at 7 p.m., good prizes. Tickets may be obtained at the Pavilion.

Last Saturday's home match with Batley provided our players with some good practice in their overwhelming victory by 37 points to 5. Congratulations to our captain, Alex Fiddes, on his reaching and passing the 1,000 points mark for Fartown since joining the Club. It didn't take him long last week to obtain the necessary score. His aggregate now is 191 goals and 210 tries (1,012 points). Well played, Alec. "Nah then, lad, tha munnet gi' up!!!"

Today we welcome our old friends, Oldham, as our guests. Oldham and Huddersfield have been on very good terms for a long number of years. We have each had our periods of "ups and downs," but always

Best Wishes to our  
Players and Staff
