TODAY'S MATCH—SATURDAY 16 DEC. 1944 at 3.30

OLDHAM versus FEATHERSTONE ROVERS

We extend a hearty welcome to Oldham, our visitors from over the border. Incidentally this is our last home match until Boxing Day (Tuesday) 26 December when we resume the old custom of the local "Derby" with Castleford, and we are hoping that interest will be even greater than it was in pre-war days! There are only two more days for you if you wish to take part in our Xmas effort, and as so much depends on these efforts, and much more this year than ever before, we do hope that you will make it one of our outstanding successes. For a real good mighty enjoyment after the match on Boxing Day, go to the Dance in Lister Hall. It is always a great night, and the players are officiating as M.C.s with the ladies' committee looking after refreshments. Some of our vacant dates in January have now been filled-in. On 6 January we go to Wakefield, and on 13 January we entertain Dewsbury at home, so that up to the middle of January you have some first-class entertainment. The committee wish you all the compliments of the season, and good football for the remainder of the season...
