OLDHAM

Oldham are another team in the throes of reconstruction, and their present team bears little relation to their war-time personnel. They have three Barrovians in McKeown and Herd, wings, and T. Ayres, who have proved useful at centre, loose forward, and latterly on the wing. Lees, a wing, has been transferred from Rochdale; Gummer, centre, from us; and their latest signing, Harris, a very clever though rather small centre from Wales. King, a local full back, has a surprisingly good kick. Kenny, of Swinton, no relation to either the Swinton or Salford players, is proving a real find, both in attack and defence. Large, wing or centre, played for Lancashire this season. Pugh and Ogden are pre-war forwards, Ogden being the goalkicker. Flanagan, hooker, and Clarke have graduated from junior football.

SCORERS

Goals: Horne 34; Jones 16; Noall 2; Francis, Ayres, Hroup and Little 1 each. Tries: Lewthwaite 18; Horne 12; Knowelden 6; Cumberbatch 4; Spooner 4; Francis 3; Troup 2; Bowker 2; Bowyer 2; Little 2; Higgin 2; Skelly, Trelore, Rigg and Petcher 1 each.

W. Horne has now completed his 100 points for the season.

FIXTURES

To avoid clashing with Barrow A.F.C. we have been successful in persuading Widnes to reverse fixtures. Thus they appear at Craven Park next Saturday, and are followed here by Bradford Northern—two of the best attractions on our card. In the newly formed Lancashire Combination we start with visits to Oldham, Widnes and Wigan, rather a formidable baptism. Of course in a new venture we have no means of gauging the strength of the opposition, but we hope with the material at hand to be able to give a good account of ourselves. In addition, we are already in touch with a number of young players from various sources all asking for trials.

GEORGE GUMMER

What an unlucky player this is! A fortnight ago to-day he was sandwiched by two Rochdale players. As a result his shoulder muscles are torn, and two of his ribs staved somewhat. In consequence he will be out of the game for at least a month. Oldham, by the way, are extremely well pleased with their bargain, as they have got a great player and a grand fellow.

AT OLDHAM

Our visit to Watersheddings proved a big disappointment. If ever a match should have been won this one should. The Oldham defence was repeatedly in a tangle, and just as repeatedly we were pulled up for some infringement or other. In addition, two reasonable chances of goals were unaccountably missed. Such games come to most clubs, but they are particularly unfortunate when we are assuming a challenging position in the League Table.

JOE JONES

At Oldham last Saturday Joe Jones and George Gummer were sympathising with each other, both having their right arms in slings. Joe seemed much more cheerful about his shoulder. Apparently he has been told that it is such a clean break that recovery should not take long. Of course he should have been in Paris this week-end. Hard lines, especially after the not inconsiderable amount of trouble over passports. He will also miss the Tour Trials, both of which take place this month.
