OLDHAM FOOTBALL CLUB

OLDHAM v. BROUGHTON RANGERS

Tuesday, April 9th, 1946.

Kick-off 5-30 p.m.

Official Programme - 2d.

WATERSHEDDINGS NEWS AND VIEWS.

So we are playing at home again at last, the 9th of March was the last time our first team appeared in an home match, and the match this evening is the postponed league match from March 2nd, owing to the fact that our visitors, Broughton Rangers, were engaged in the second round of the Rugby League Challenge Cup, so this is our third match in just over six weeks. Our next home matches are: Easter Saturday, April 20th, Halifax; and Easter Monday, April 22nd, Keighley; and then Widnes on Tuesday, May 7th, 1946, kick-off 6-30 p.m. and this is the wind-up of the season so far as Watersheddings is concerned.

An effort is being made to commence playing of The Rochdale and Oldham Infirmaries Cup match, and a meeting takes place between the parties concerned on Wednesday Evening with reference to renewing this worthy object.

It is the ground advantage of Rochdale Hornets to play this match at Rochdale, and the only available date we have is Saturday, May 18th, and this may be agreed upon.

The last match played for this cup was August 20th, 1938, and the following team played: Rees; Hall, Lowe, Rhydderch, Davies, C.; Downey and Smith; Read, Brooks, Garnett, Pugh, Moore and Givvons. Oldham won 18 points to 8.

Doug. Phillips is now on his way to Australia after continual ups and downs as to the military authorities allowing him permission to go.

Upon his return Phillips reports to his Record Office for the completion of his demobilization, so we hope to have the assistance of this forward regularly upon his return from the tour.

On March 16th, our "A" team had the assistance of Billy Mitchell, home on leave from Germany, and he played a very good game. We hope, with luck, that he will be demobbed before next season and assist our team.

Billy is only a young man yet and has a great future before him. We shall expect great things from him and that his play will merit the reward by honours that will eventually come his way.
