OUR FIRST DOUBLE

It is pleasing to record our first away victory of the season at Rochdale. The game, however, was not as attractive as the previous week, neither did our players display such good football, but it also must be emphasised that it was a far superior Rochdale that we encountered. We hope for a return today of the classy exhibitions recently served, and which have so delighted all our patrons.

Our "A" Team also obliged with the "double," and are making strenuous efforts to retain the Combination Championship. We wish them good fortune in today's game at Oldham, as a victory would give them a commanding lead in the League Table.

OUR VISITORS

We welcome Oldham today, and a thrilling encounter is expected. Going back over a number of years, wherever the venue, keen contests have been the order. May it be sporty and spectacular today, in addition.

REFRESHMENTS—RETURN OF TEA CUPS

It is regretted that some patrons do not return their cups after use. They are very dear, as most of us know, and replacements are also difficult. We earnestly appeal to all to "play the game" and return the empty cups to the Refreshment Room. If this is not done the Committee may be forced to add the charge of the cup to the cost of the beverage, and make the necessary refund on return of the cup. This means more work. Please help.
