

THE NEED

Research shows that 70 per cent. of the population have some eye defect which if corrected would benefit both health and efficiency. Of the knowledge reaching the brain 83 per cent. does so through the eyes which also control 80 per cent. of your actions.

THE RECOMMENDATION

This practice has increased in every one of its eleven years of existence.

THE REASON

For the best care and attention the use of modern scientific instruments backed by wide experience and SPECIALISED SKILL is essential.

THE COST

is considerably less than that of your daily paper which without your sight would be useless.

NOTES

Since defeating Belle Vue at home we visited Leigh and succeeded in taking a point away from a club who had not previously surrendered one at home. A first-rate performance considering that "Town" were without Jock Carr for practically the whole of the game. Jock received marching orders in the first half, and still doesn't know what it was all about. Excitement has not yet died down from the Kiwis match last Wednesday, which produced football of the highest standard. The Kiwis were fast, and the hard ground held no terrors for them. They were a grand side, and every one of the 10,000 Town supporters who saw the game will remember for a long time the exhibition given by the 1947 Kiwis, war cry included.

Through the medium of this programme we would like to thank the supporters who helped to make the New Zealand match possible. Borough Park was a hive of industry for 24 hours prior to the game, and a special vote of thanks is passed to the six begrimed workers who maintained an all-night vigil on Tuesday night in an effort to keep our "artificial thaw" going. Great work, Town supporters!

To-day's visitors from Oldham have brought a first-class team. Oldham have always had an interest in Cumberland local talent, and representatives from the County are included in to-day's team. Inglesfield on the wing is a cousin to our own "Jobill," while Ambler is another Cumbrian. Large on the other wing is a fleet-footed Lancashire County man, while Smith at scrum-half is playing brilliant football as well as captaining the side.

For the first time this season we have to forsake our now familiar red jerseys. So it will be "Up the Blues" to-day, and we are looking forward to a good game from both sides. And let's hear that "COME ON, THE TOWN!"
