By the time this programme appears, friends from New Zealand will be keyed up for the final throw they throw in this country. It would perhaps, un-British to wish the "wits" should win, so we will content ourselves by expressing the hope that all will play as they have done all through the tournaments and by so doing, the proud reputation they have earned.

to-day we have with us our friends from Oldham. Can we hold 'em? Neither or not we can, we have some very happy memories of games between clubs and this afternoon we look forward to a match in keeping with what we usually expect from two sports clubs. The Mayor, Deputy Mayor and Chief Constable of Oldham will travel with the Oldham players to the match. This afternoon our team will be captained by a specialist this week, Dennis Donnis Brookoker who has gone with to greet his wife and two children in Australia. Ron Ryland has been several weeks. H. Taylor who was injured with the second team some weeks ago, has resumed training. We are also pleased to announce that Goodall, who has been in H.M. prisons for four years, has reported duty.
