Bang on Top Again . . .

After last Saturday's game our supporters could talk of nothing else but Honey and Llewellyn. They had provided the high spots of the Saints' 27—7 victory over Dewsbury and had relieved the frustration from which we had all been suffering for some weeks.

Honey, of course, had been literally banging at the door for weeks, but Llewellyn was the surprise choice of Alf. Frodsham to meet the situation. He and Llewellyn deserve all the credit for the success of the venture. Still the Committee do deserve some of the credit for agreeing to the change—they would have had to take all the blame if it had been a failure.

However, players and spectators all seem to have enjoyed themselves and that is the reason for the existence of the St. Helens R.F.C. So what?

Here's hoping that we have just as good a game to-day and that Leyland, Pilkington and Glan Jones do well—but not too well.

MOTOR REPAIRS

You'll get a good job speedily—and reasonably priced. We have facilities for complete engine overhaul, repairs to every part of a chassis. Welding, panel beating and recellulosing. High pressure lubrication, battery service, spring repairs. No job too small, too big or too difficult. Whatever your car problem, run it down to . . .

The "A" Team at Rochdale . . .

The "A" team continue on their successful way. I have seen them a good many times the past few years but I have only seen them put up one unconvincing display and that was at Warrington against a lot of their own lads. The "A" team players spoke of them as St. Helens "B."

Last Saturday they won by four tries to a goal, but they should have scored four more.

Harold Fishwick with the help of Norris and Hale got the ball 9 to 1 and distributed it in the loose just as well.

Frank Beesley filled a gap by playing stand-off and showed that he is just as good there as behind the pack.

Cheetham played centre, took his passes, and showed that he can tackle as well as run. Albert Fildes had nothing on him.

Huyton, at full-back, again showed that a good footballer can play anywhere.

Parr was in at everything again, and Lawrence scored a couple of tries.

Just remember that while the Saints are at Warrington next Saturday, these lads will be on view at Knowsley Road. And you can take my word they are giving you value for your money.

Supporters' Club Notes

HELLO ! MEMBERS,

This week I take the opportunity to thank all those voluntary workers who so ably assist the Committee in the various schemes for raising funds.

Once again we call upon them for their assistance in making the Stott-Fishwick Benefit a success. You know your own particular Committee men, so keep in touch with them.

Leigh Supporters' Club has created for itself a unique position by sheer enterprise and endeavour ; let us take heart from their example and strive until we have covered accommodation to our satisfaction.

The response to our recruiting drive was excellent in the initial stages, but recent efforts have not produced the desired results. A minimum subscription of sixpence is indeed a small request, yet with our huge following, such subscriptions could work wonders. Look for the membership cards at the gates and swell our numbers.

We have many diehards who just watch the team individually, isn't it better to have organised support such as the Supporters' Club offers ?
