WATERSHEDDINGS NEWS AND VIEWS.

A victory on Saturday last over Belle-Vue Rangers, at Belle-Vue was a very welcome tonic for our players and supporters, and recorded our second double win of the season, the other being against Liverpool Stanley. We still have a chance of making it three, against our friends the Hornets, who visit us on Easter Saturday.

Our team played with inspiration and never gave up, even when under severe pressure, and it was a shock to the Belle-Vue players and their Officials when the final whistle went, for they fully expected to record a win against us. The merit of the win is greater still when one realizes that Belle-Vue easily beat Barrow, at Belle Vue, on Monday evening last.

Our match against Salford, on Monday evening last, was ruined by the bad weather conditions which prevailed, and a draw of two points each represented the run of the game. The play was of a high standard, and the players of both sides must be complimented upon the manner in which they made the game attractive under the vile conditions. A compliment must be made to Mr. George Phillips for the able manner, and the correct and prompt decisions he made during the match, and on the refereeing side, I think we can nominate Mr. Phillips as number one referee of the season. It is amazing how the players realize the control and efficiency of a referee; and a good referee usually encourages the players to comply to the rules, and bring the best out of them.

To-day we welcome rather infrequent visitors to Watersheddings in Batley, and we have had many stirring struggles with the "gallant youths," and I trust that to-days match proves no exception. On November 6th last, we played Batley away, and lost by 18 points to 10, and for a greater part of the game both sides played a centre short: Mitchell of Oldham, and Riches of Batley having to retire with cut heads. However, we hope to-day that matters will be levelled up and a home victory when time is called.

Batley stand seventh in the Rugby League table, and have had a good season from a playing standpoint. Riches, centre, and ETTY, wing, are this seasons Yorkshire County players and are big, fast and strong players. Eaton, Hesketh and Carter are former Leeds players; and Perry, a very capable winger, is an ex-Wakefield player.
