CLUB NOTES

Message to Supporters from the President

As President of the Rugby League I would like to take this opportunity of extending to all Officials, players and supporters of the Rugby League, my very best wishes for the coming season.

Since the war our sport has greatly increased in popularity and I sincerely hope that this season will be our most successful yet.

I feel that one of the greatest attractions of the game is the very high standard of sportmanship found throughout by all those connected with it.

DERBY.

The Rt. Hon. The Earl of Derby
(President of the Rugby Football League).

A welcome to our visitors today, from Oldham. It will be remembered that they were our opponents for the last home match of last season and those who saw the game were impressed with the grand open type of football played. On that occasion Oldham produced a speedy and promising young backs division, but as regards the forwards, Rovers more than held their own. Since then, however, Oldham have made great efforts to strengthen their pack and we have reports that our old friend Bryn Goldswain has done a lot towards helping in this direction. We at Craven Park are all wondering if he will be able to make the trip to-day. If so, he is assured of a welcome from all Roverites.

Next Saturday, we meet Bramley in the 1st Round of the Yorkshire Cup, 1st leg. The 2nd leg will be played at Bramley, on Wednesday, 14th September, kick-off 6-30 p.m.

Our fixture with St. Helen's has been re-arranged and will now be played on Monday, 19th September, kick-off 6-0 p.m.
