EDITORIAL.

In our last notes we said we hoped to have news of signings very soon and since then we have signed four promising Juniors in addition to Gormley who played against Warrington, and at Dewsbury last week, with Sparkes and K. Leyland. All three did well and Sparkes finished an excellent game with a good try. This player is from Vine Tavern and we have also signed Webster (scrum half or loose forward), and Leyland (forward) from the same club. Ken Leyland is from St. Helens. We are also hoping to secure the services of several experienced players. On Thursday last we were due to meet the Rugby League Finance Committee at Leeds—the deputation consisting of Messrs. Wilson and Gregson, with representatives of the Supporters' Club, Messrs. Bennett, Facey and Hand. If our visit has been successful, the ground question and other matters will be speeded up. The Rugby League have given us every assistance and we hope they will go just a little further to help make Stanley really secure. We must do our part too, and we ask all supporters to rally round and when the time comes, show the League Council that their confidence was not mis-placed.

We extend a hearty welcome to our visitors, and to our new players.

STANLEY NEWS.

THE SUPPORTERS' CLUB NEXT MONTHLY MEETING

is on

TUESDAY, OCTOBER 4th, at 8-0 p.m.

At BENT'S CATTLEMARKEET INN (CAFE) Opposite Ground.

MAKE THIS A DATE.

There are still some Wembley Tickets. Order yours today and avoid disappointment later.

Last year the Schools ran six teams in the League and this year the number will be increased to seven.

The Junior sides are thriving and results and league table are on the back page. We ask all our supporters to support these junior games when Stanley are away.

When we have 20 junior teams in Liverpool a lot of our "gate" headaches will disappear!

And why not? We now have four as against one the season before last!

RONNIE PRESTON

Ronnie's good form this season has delighted his many admirers and he is surely the evergreen veteran of the side. When 16 years of age, he played for Pilkington Plate Works and joined St. Helens in 1935 as a wing man or loose forward. Joined Stanley in 1946 as a loose forward. A good clubman who, we hope, will enjoy many more games.
