CLUB NOTES.

Oldham

Our Visitors today occupy the
sixteenth position in the league
table, Barrow having played two
more matches are eighteenth. Last
Saturday Oldham drew with Swin-
ton at Oldham. Similar to the
majority of clubs they are endeav-
ouring to add to their playing
strength and are experiencing the
same difficulties as most clubs in
this thankless task. Barraclough,
full back, is a sturdy defender and
a goal-kicker of no mean ability.
Warham, wing threequarter, who
came to Oldham from Swinton last
season in exchange for Kenny,
scored two tries last week. Batten
obtained from Leeds and brother
of the famous Eric occupies the
left flank. Ward, centre three-
quarter is also highly spoken of.
Heyes is at out-half. Dean, the
hooker is supported by a strong
pack of forwards:

16	Oldham	22	10	9	3	23
18	Barrow	24	11	13	-	22

Challenge Cup

It is now well-known, who are
our opponents in the 1st round,
1st leg to be played on Saturday,
February 4th at Barrow, kick off
2-45. Hull have had an "in and
out" experience this season,
although they have defeated Bar-
row in the two league games, on
Sept. 3rd at Hull, and at Barrow
on Sept. 24th.

Rule 12 of the Challenge Cup
Rules states "All members and
Ticket Holders must pay the
admission charges to ground and
stands. At the request of a visiting
Club reserved stand tickets must
be issued, the visiting Club to
have one third if desired. The two
contesting Clubs are to mutually
agree what the charges are to be.
In the event of a disagreement the
Council will decide. At the time of
going to press no definite arrange-
ments have been made, but due
notice will be given regarding the
seating and admission charges.

Injuries

Castle was unable to play at Whitehaven due to a damaged knee, Lewthwaite had a shoulder injury at Whitehaven.

It is hoped however both players will have recovered sufficiently to enable them to play today. Longley has returned home, his operation having been performed and light training will be possible in the next few weeks.
