## NOTES AND COMMENTS.

The supporters of the Club would one and all be delighted with the performance of our youthful "A" team on Wednesday. For fully 80% of the game our boys held the upper hand, and the longer the game went, the more their superiority was becoming pronounced.

The Semi-Final will now be played at Leigh on Wednesday, May 3rd., Kick-off 6-30 p.m. Our boys will be sure of a following, and this support will no doubt help us to our first final.

A vast improvement has been shown by our first team during the past season. Last year our position was as follows:—

Played 36 Won 6; Lost 28; Drawn 2; For 216; Against 597; Points 14.

This season, not including to-days match our position is:—

Played 35 Won 10; Lost 21; Drawn 4; For 257; Against 429; Points 24.

Two Cup wins can also be added as against none last year.

This is proof that money doesn't always talk, because last season our team looked really formidable with stars like Kitchen, Brogden, Flanagan, Carter, Petcher and Davies gracing its ranks.

Next season we expect to do even better, and finish among the honours.

To-day we entertain old friends in Oldham. May it be a good game with another smashing win for the boys.

ON WHITEHAVEN ON.

Ned Hodgson has announced his retirement, and will only play again when the Club is in very dire need. No doubt this will be his last match.

The Committee of the Supporters' Club have fixed Monday, May 22nd, as the date for the Annual General Meeting, and members are urged to make a note of this.

The attention of members is also drawn to Rule 11, and the fact that admission will only be gained on production of membership card.

This opportunity is taken of thanking all who have assisted in the Supporters' Club efforts throughout the season. Much more can be accomplished, however, if whole-hearted support is given and the Committee look forward to even further success in the future. Here's hoping for more success and progress by our team next season, too, plus congratulations for some fine performances of the present campaign.
