GOOD PERFORMANCES

We can look back with quiet satisfaction on the results of the last two first team games. According to the critics Widnes were to be on the receiving end of some high speed scoring by the League Champions. Instead, St. Helens were lucky to salvage one point and an unbroken, if slightly bent away record. Whatever the cause, the Widnes "spirit" has returned in full vigour and this, together with the improved football revealed should lead to more successes as the season goes on. At Hunslet the conditions were against bright open football, the wet ball proving difficult to handle and the turf greasy. However, from the time Simpson returned after a ten minute retirement in the second half due to a head injury, Widnes gradually gained the upper hand and after scoring 11 points in almost as many minutes, were still going strongly at the final whistle. The "A" team, too, have recovered somewhat after a disastrous start. The display against Salford "A" was a great improvement on the three previous games, and although the 27 points Salford margin in the First Leg proved decisive, our win by 11-8 was more than welcome. As if to assert that this was no "flash-in-the-pan" they then went on to trounce Swinton "A" on Saturday last by 28 points to 8. We look forward to many repeat performances!

Unfortunately from our point of view, Harry Dawson has been posted abroad for five weeks and may not be available until the home game with Hunslet on October 10th.

OUR VISITORS

We welcome this evening our friends from Oldham, conquerors of Leeds on Saturday last. According to reports they had two reserve half-backs and a reserve forward playing, and the result of the game emphasises the quality of the reserves available to them. On the other hand, Oldham came off second best in their away game with Bramley, and if our team can reproduce their form in the last two games we can look forward with confidence to the outcome of to-day's encounter. We anticipate a good, clean game.

FRANK DEVONALD TESTIMONIAL
