NOTES AND COMMENTS

It was a tonic to us all last week to see our team strike much better form, especially in the second half, and register a very conclusive victory. While no member of them should be singled out for praise, we cannot pass without offering our congratulations to John McKeown for his impressive goal-kicking display, which resulted in a tally of seven goals and created a ground record, besides being his own highest at any game yet played at home or away.

To-day we face Oldham in the first leg, first round of the Lancashire Cup and welcome them as a redoubtable side with a grand record. In our home League games with this team we have had to be content with two draws in the last two seasons, having registered victories in the previous two seasons. To-day we hope to see our team playing together with determination and skill, and that all-important feature, team spirit, to carry them through to victory which will help to see us safely into the second round of the Lancashire Cup for the first time.

There are still a number of grandstand season tickets available and anyone desirous of obtaining them should see me at the ground or at Coates Lane on Tuesday or Thursday evenings.

SUPPORTERS' CLUB NOTES.

We extend our congratulations to fullback John McKeown on achieving a new club record with his seven goals against Hull K.R. Also to our team for a much improved performance and to Hull K.R. for a good clean game. May we have the pleasure of watching many more games played in the same spirit.

Once again, I would ask the men to refrain from using the ladies' toilets. Previous warnings have been extended, but there are still a number of offenders.

Finally, a message to all supporters. May I, as your newly-appointed Secretary, appeal to you all for your future support. Thank you.
