OLDHAM v. WARRINGTON

WATERSHEDDINGS NEWS & VIEWS

The Match against Leigh on Saturday last gave us proof of what our team is capable of. We saw some very fine moves, swift passing and running at top speed, by our players. They appeared to revel in the opposition—not in any way discounting the ability of the Leigh players, for one must give them credit for giving us a game, especially in the first half, worthy to remember.

At one period of the game, the Leigh players were our equal, and I am sure that many spectators, both from Oldham and Leigh, went away wondering why we can't have more games of this calibre. Such games are the type which confound the critics and prove that there is nothing wrong with our code.

Today, the Second Round of the Rugby League Challenge Cup, is a very important day for all Clubs concerned in the Round. All are optimistic, because a victory today means one more step to that elusive venue—Wembley. It is the cherished ambition of all Clubs to take part in the Blue Ribbon of our game and to play on the majestic football arena at Wembley. Further, it is the personal ambition of every player—those playing in the Junior Leagues not excepted—to appear on this magnificent piece of turf, so you can be assured that all players engaged in this competition today will be on their toes and will extend themselves to the utmost.

OUR VISITORS

Our opponents today are the Warrington team, who have a reputation for being worthy and keen cup-fighters and who already have had the thrill of having appeared at Wembley. The game today is one that should go the whole eighty minutes at top speed level, the winners representing the survival of the fittest and the team taking its chances.

If our team can reproduce the form they displayed against Leigh last Saturday, we have a great chance of finishing on the winning side, but again, a lot depends upon what tactics our opponents put over. The team which can dictate the run of play and takes the chances which this ascendancy must produce will come out on top.

WHO'S WHO AT WARRINGTON

Frodsham, full back. Secured on transfer from St. Helens in 1948. A good and dependable club-man.

Bevan. Who has not heard of Brian Bevan? Came to his present club in 1945. One of the best wingers in the game, and always a danger when in possession. He can run tries the full length of the field and a delightful player to watch.

Challinor. A local boy, signed on from a junior club last season. Played wing but is developing into a very elusive centre.

Naughton, A. Secured on transfer from Widnes in 1949 at the then record transfer fee of £4,600. He has just recovered from a cartilage operation.

McCormick. Well-known to the Oldham spectators, just recently secured on transfer from St. Helens. A dangerous winger in possession of the ball.

Price. Recently transferred from Belle Vue and is now showing excellent form. A possible tour candidate.

Helme. Signed by Warrington in 1945. A native of Culceth (Warrington). He is still a great scrum-half.

Naughton, D. Transferred from Widnes in 1953. A 1950 Tourist and a solid front-row forward.

Wright. Signed this season from Fylde R.U. A Lancs. County R.U. player, not over big and a good hooker.

Bath. An Australian, came to this country to Barrow F.C. in 1947 and was transferred to his present club in 1948. The goal-kicker of the team.

Phillips. A native of Widnes, signed in 1953 from a Widnes Junior club. The son of the well-known referee, George Phillips.

White. A local player now in his fourth season with Warrington. A very handy forward to have about.

Ryan. Signed in 1945. A native of Wigan. Toured Australia and New Zealand in 1950. He is a grand forward and a possible Tourist again.
