OUR VISITORS

Tonight we have Oldham, one of the oldest clubs in the League, who are always in the limelight. They have won all the honours that can be won and at the present time they have a good chance of finishing in the "top four." We wish them every success. Their team includes Ike Southward, who recently joined them from Workington. Their captain, Ganley, has been kicking goals as well this year as he has done for many seasons.

'A' TEAM

The 'A' team, like our first team, have had a varied season, some of their matches have been a pleasure to watch, others have been the opposite. It should be borne in mind that owing to the number of injuries we have had this season on quite a number of occasions the Secretary has been running about late Friday and early Saturday morning to raise a team. If we could fix the 'A' team, on the majority of matches they would give a better account of themselves, but from time to time we have to put trialists of unknown quantity. We realise that the 'A' team is the breeding ground for the first team and if we can make three or four first teamers in a season then we have done well.

SUMMARY OF PAST SEASON

This is our last match of the season, no doubt most of our supporters will be saying "well that's that" and a good job too. Whilst we have been very bad in the second half of the season, it has not been for the want of trying to build up a team, young juniors have been signed, Delves and Robinson were signed from St. Helens, with all our attempts to build up a team we did not just click. I think we will let the matter rest there and everybody can be wise after the event.

Our efforts must now all be made in the interests of getting a winning team for next season, the Board are of the opinion that this can be done, a good experienced centre who could help and advise our young centres, we are hoping Phil Jackson will be playing next season and he should fill this roll. The pack should be as good as any in the League next season, look whom we have :- Goodwin, Donaldson, D. Wilson, Grundy Delves, Robinson, J. Wilson, M. Ducie, and two young forwards that are giving a good account, John Jackson and "Yorkie" Whitehead. Our opinion is that we lack a centre that can break down the middle of the field. Full backs and half backs do not seem to be troubling us at the moment.
