**OLD FRIENDS OLD FOES.**

**Top-Price Signings** Ike Southward (£10,650) and Geoff Robinson (£8,750) are our opponents today.

Oldham have always been attractive visitors to Weaste; especially so today for they have in their ranks the two most expensively acquired players in the game—left winger Ike Southward, who was secured from Workington Town late last season at a fee said to be £10,650 and Geoff Robinson, the Whitehaven second row or loose forward for whom they are reputed to have paid £8,750, only last week.

Missing from their ranks, however, will be that great forward, Sid Little, who has retired and Frank Pitchford, who had not up to the time of writing these notes, signed; but they still have ace goalkicker, Bernard Ganley; international centre threequarter, Alan Davies; front row forward Ken Jackson and if he is fit Dick Cracknell may play. Admittedly they are a powerful side. Our former player, Frank Stirrup, is now their coach.

Last season we pulled off a great win—one of our best performances—and it will be the object of our team to stage a repeat.

We, too, have speculated and in securing Jack Brennan from Blackpool Borough, a player whom several clubs were anxious to sign, we have greatly strengthened our side.

Our record against the Lancashire Cup holders is not however, one to boast about. Of the 28 championship contests played since the war we have only won seven.
