OLDHAM v. AUSTRALIA

WATERSHEDDINGS NEWS AND VIEWS

Today is a red letter day for us in the visit to our ground of the Australian Touring Team, and to the officials and boys from the far flung Commonwealth of Australia we extend a special welcome to Watersheddings. The visit to our ground of visitors from Australia and New Zealand is always looked forward to as we are sure of an entertainment of the type of football the crowd of R.L. supporters at Oldham delight in watching. Today will prove no exception and we are sure that whoever wins the match we shall all have had our monies worth.

This team from Australia is one of the youngest teams they have sent, and in the opinion of sound judges is capable and efficient. They have placed a great deal on speed and efficient handling, rather than weight.

Our Mayor, Alderman J. T. Hilton, J.P., gave our visitors a civic welcome at 1-30 p.m., at the Town Hall and we extend many thanks to the Mayor for his service.

All touring teams that visit Oldham have always been given a little memento of their visit and we have today presented each member along with the two managers and coach a leather pocket wallet suitably inscribed with the name of our club, the towns coat of arms and the name of the recipient.

Although our visit to Blackpool was a success in a playing point of view a heavy penalty has been paid for victory.

A serious accident in the last five minutes happened to our star winger, Ike Southward, resulting in a badly damaged left eye. The specialists who have examined Ike state that it is an unusual accident. What a luckless season Ike has had up to now, first an ankle injury at Dewsbury which kept him out of the team for a long period, and now this comes along when he was expecting a great season and further test honours coming his way, but all this has now fallen by the way side and Ike will be out of action anything from 2 to 3 months. We only hope that the injury will recover sooner than we have been advised by specialists.

Congratulation to Alan Kellett in once more securing Yorkshire honours. Alan played for the County against the Australians at York on Monday last and from eye witnesses played a brilliant game which has put him in the line for test honours. We sincerely hope he will be selected to represent Gt. Britain as this player has been in top form all season and has developed remarkably well from a playing point and physique. During the season he has received some attention from opponents and some of it excessive but Alan has stuck up to it and never wavered no matter what the opposition has been. A trier always and whatever success comes his way he has earned it by brilliant and clean play.

AUSTRALIAN R. L. TOUR OF UNITED KINGDOM FRANCE AND AMERICA -- 1959/60 PEN PICTURES

1—WILLIAM KEITH (KEITH) BARNES (Captain). Bank officer. Single. Full back. Age 24. Height 5ft. 10in. Weight 11st. 10lb.

Enterprising full-back who captained Australia in the Second and Third Tests against Kiwis this year. Is a spectacular goalkicker, lifting the ball much higher than average. Played for Australia against New Zealand in World Cup 1957 and missed later games through injury. Also a first grade cricketer and plays golf from a low handicap.

2—DARREL BARRIE (DARREL) CHAPMAN Full-back, Schoolteacher. Single. Age 21. Height 5ft. 6in. Weight 11st. 4lb.

Has made rapid rise this year after missing most of the representative matches. Created a great impression with tackling from Northern N.S.W. against Kiwis and then played in several trials in Sydney. Should develop well on tour.

3—EDMUND (EDDIE) LUMSDEN Winger. Engineer. Married. Age 22. Height 5ft. 11½in. Weight 13st 2lb.

Hard running right winger who played in the Second and Third Tests against Kiwis this year and holds record for most tries for his club, St. George. Is one of the few players to have missed a season through a suspension for playing for Sydney club when not qualified residentially. Played for N.S.W. in 1957 and again this year.

4—BRIAN PATRICK (BRIAN) CARLSON. Utility back. Clerk. Age 26. Married. Height 5ft. 11in. Weight 13st. 9lb.

7—REGINALD WILLIAM (REG) GASNIER. Centre Three-Quarter. Department Supervisor. Single. Age 20. Height 5ft. 11in. Weight 12st. 5lb.

Find of the Australian Football season and regarded as the most brilliant centre since Dave Brown was at his peak. Plays similar football to Brown being a wonderful opportunist and having great speed. Has been a star from his earliest days at School and this year played in the St. George "A" Team for four matches before selectors decided he was mature enough for first grade. Club has had him under virtual contract for three years but would not rush him into top grade too early. Starred in all three Kiwi Tests this year and good goalkicker.
