CLUB CHAT

Being defeated for the first time in our thirty-fifth successive home League match, which had stood since April, 1958, cost us our place in the top four, which means that not another point must be dropped for us to have any chance of repeating last season's successful finale. There can be many "ifs" and "buts", but the fact remains that we were behind at the final whistle to a very good team, who have proved their worth in this season's Cup Competition.

The attendance at this game was not only of financial benefit to us, but proved beyond doubt that when two good teams meet in healthy competition with something at stake to play for, the public will turn up in their thousands to watch Rugby League football. It would appear that this is the aim and object for all administrators — a higher level of play with teams reaching an almost equal standard and the result never a foregone conclusion.

The advent of "Pools" has created a position which every club can enjoy, but money must be made available for the furthering of Rugby League football in every centre. More and more schools must be brought to accept our game, and every attention should be given to the junior set-up. We must qualify the word "junior" though, for we believe the ex-professionals playing in District League football are well able to look after themselves. It is essential that there should be more junior clubs, for it is from this source that we senior clubs must be supplied. We do, however, understand that the Rugby League Council through their Amateur Committee are giving consideration to this section of our game.

Our junior teams are again doing well, for the Junior team have reached the final of the Yorkshire Cup and the Intermediates are in the

CLUB CHAT—continued

semi-final. The successes of these teams augers well for the Senior club. There will be promotion for some of these boys into our 'A' team next season.

We were pleased to see that so many entered the ground through our new Spion Kop entrance, for it gives direct access to the new built end with a wonderful view. At the same time we thank all those patrons who visit our new Terrace Bar, which provides refreshment of varied taste.

To-day, March 26th, is the day you were asked to return counter-foils, etc., for the Geoff Gunney Benefit Fund (if you have not already done so). Will you please make sure that any not so returned are in our hands not later than next Saturday, April 2nd, failing which they cannot be included.

With the co-operation of both our Supporters' Club and Auxiliary Association, we intend in a few weeks' time to hold a Rugby Eleven-a-Side Competition, on the lines which used to govern the Workshops Competition. This may seem to be a novelty, but at the same time is an experiment as was done many years ago when the number of players was reduced from 15 to 13. It should be a great attraction to spectators. Full particulars regarding entrance to the Competition can be obtained from the Secretary, The Pavilion, Parkside, Leeds, 11.

We welcome our visitors to-day from Oldham, and thank them for willingly agreeing to a delayed kick-off. They come as semi-finalists for the R.L. Cup, and like ourselves, contenders for a place in the top four. Always to be found amongst the leading teams, they never hesitate to plunge if the right player is on their wanted list. Our record against Oldham in the post-war period is deplorable, for of the thirteen games played, we have only won once and drawn once. This needs remedying, and let us hope that to-day sees the commencement of a new era. Attendances for our games with Oldham have been good, and if the weather is kind to us, we can expect a good patronage, sure of seeing a good game.
