

OLDHAM FOOTBALL CLUB

OLDHAM 'A' V. WHITEHAVEN 'A'

at Watersheddings, Saturday, 4th November, 1961

Kick-off 3-0 p.m.

At long last our "A" team are playing at Watersheddings, thanks to the powers that be in not taking more interest in "A" teams—the forgotten men of Rugby League. September 23rd was the last "A" team match played here and in the interim we have visited Barrow, Workington and Whitehaven, resulting in two wins and one defeat.

However we welcome the Whitehaven "A" team to Oldham and trust that we have a game to remember with some good open football.
