PROGRAMME NOTES — FRIDAY, APRIL 19th
Today's Visitors - OLDHAM

The Easter holidays did not prove to be as lucrative for a collecting of 'points' as we had hoped.

We started in fine style by beating Hull at the Boulevard, a most praiseworthy performance and literally we threw the game away against Widnes. On Tuesday Castleford proved to be the better team but we started the game with a big handicap when George Brown and Eddie Bryant both reported unfit. To add to our worries Colin Heaps sustained a severe ankle injury in the first few minutes of the game and although he returned to the field of play he was only a passenger.

Colin was making his debut as a 1st team full back and it must have been heartbreaking for him to be so unfortunate. However his turn will come and we are confident he will eventually be a good successor to Johnny Wilson who has given such yeoman service to the Club,

Our league position is most precarious and we have a very hard fight to retain 1st Division status. We have been trying desperately for some time to obtain new players but this is not an easy task. For a few weeks we have had Colin Butterfield the Castleford centre in mind and after agreeing terms with Castleford the player has decided to join us. He will be making his debut to-night and we are sure our supporters will be pleased with the 'buy'. We wish him a long and happy stay with us.

Oldham who are our visitors this evening are only very slightly better placed in the league table than we are, they have played one match less and have collected one point more, so the result of our encounter is vital for both clubs.

Will all our supporters please make a note of this date. New members will be welcome at this meeting.
