OLDHAM

EASTER MONDAY, MARCH 30th, 1964.

Kick-off 3 p.m.

OLDHAM'S GREAT RECOVERY

Prospective Second Division Champions and Cup Semi-Finalists

Our friends from Oldham are riding high—prospective second division champions and Cup-Semi-finalists. They have staged a remarkable recovery since last year's disappointing experience. Much of the credit goes to their captain and coach Frank Dyson, who previously had made a name for himself at Huddersfield. But his leadership would not have been so successful without co-operative effort from the whole of the team, which, after all is the first essential.

When we visited Watersheddings at the end of January a free scoring match ended in Oldham's favour by 37 points to 20. We don't expect so many point to be scored this time. The season is now drawing rapidly to a close and our six remaining engagements are

Mr. JACK LEWIS

Since our last programme, issued for the Cup-tie with Barrow on January 29th, Jack Lewis, who has been our secretary for four years and done a tremendous job in organising the Supporters and Social Club efforts, has tendered his resignation to the directors in order to take up the post of secretary-manager of Blackpool Borough.

It will be recalled that Mr. Lewis originally came from Blackpool, where he took a leading and practical part in the formation of the club in 1954-55. We wish him well in his new appointment.
