### OFFICIAL NOTES

Last Monday's gate for the match with Leigh did not live up to expectations and provided only 1,528 spectators for a game which should have attracted at least four or five thousand. Agreed, it started to rain before the commencement of the match but I am still of the opinion that had the kick-off time been 6 p.m. we would have done much better. Very wisely the match with Oldham tonight commences at 6 p.m. which I am sure will please our many season ticket holders, so we shall have to wait and see whether I am proved right or wrong. Don't forget that a gate of at least 5,000 is required at each first team home game just to break even, therefore if you can interest your friends into watching Rugby league football it would be appreciated.

### OUR VISITORS—OLDHAM

We welcome the Oldham boys who went to Cumberland and defeated the Whitehaven club in the 1st Round Lancs. Cup while we went down to Barrow after showing promise at one time that we would eventually get on top.

This Oldham team has the means of becoming a great side again, and under the guidance of player coach Frank Dyson could be amongst the honours at the end of the season. Names to note are forwards Charlie Bott, Tug Wilson and Dave Parker who, have been outstanding in making this Oldham pack one of the best in the league.

Of the three-quarters I think we shall all be pleased if Malcolm Price is in the team. This stouthearted player suffered a very severe injury at Rochdale and most people had written him off. We cannot afford to lose players with the ability of Malcolm Price and we trust that now he is fit and well once again he will continue to entertain the spectators for some time to come.

**LANCASHIRE v. CUMBERLAND**, Wednesday, 16th September, kick-off 6 p.m.

Life members and season ticket holders please note that their seats have been reserved but they must be claimed no later than Tuesday, 15th September.
