VISITORS FROM EAST LANCS.

Struggles between Widnes and Oldham teams in the past have always offered some exciting entertainment for our supporters. We hope that the rule will be continued today. We all recall the great game when Naughton Park, which had been dosed with chemicals, allowing one of the few games to be played at a period when other pitches were frost-bound.

Today, Oldham have an even stronger team than the one which was on duty that afternoon. Frank Dyson, the full back, is player-coach and has done some remarkable work since he joined the side from Huddersfield. He is a splendid goal-kicker. We all hope that Malcolm

The fifth in our series of Wembley pictures shows centre Frank Myler flashing over between the Hull Kingston Rovers' posts for the Chemics' second try.

Price, their left winger, has better fortune. It was here that he had the misfortune to receive a nasty leg injury. This came before his bad injury at Rochdale when his playing career was threatened.

Malcolm Price is one of the wingers. Oldham have two players of the same name on the wings. They are Geoff Sims, and Trevor Simms. The latter is soon recognised because he wears a skull cap, which is something unusual for a winger. The centres are Vin Nestor who has been with the club for quite a time now and Jim McCormack. The latter player came to Watersheddings, the Oldham headquarters from Wigan and has been showing fine promise.

The Lancashire selectors meeting at Blackpool on Wednesday evening after Cumberland had caused a surprise, chose McCormack as one of the centres to face the might of Yorkshire at Hull next

Wednesday. John Donovan who has been figuring at centre for Lancashire, is the out half. He is partnered by Jack Pycroft, ex Leeds a tricky scrum half.

In the pack are such fine scrummagers as Bott, Wilson, Mubbersome, Major, McIntyre, and Parker. It is the Oldham forwards who have commanded a lot of the games this season. Oldham come here today with a 100 per cent record.

THE COUNTY CUP

And so we face Swinton again in the Lancashire challenge cup tournament! It seems that season after season these old rivals MUST meet in vital games. This game—the semi final—will be played on September 30th at the Station Road ground. We will be announcing all other details, such as kick off etc., over the "mike" at today's game.

Stand tickets for the game will be available and will be sold at the Development Society's office in Lowerhouse Lane, possibly on the same lines as previous occasions.

In the other semi final the winners of the Warrington and Oldham game at Wilderspool Stadium on Monday evening next will meet the holders, St. Helens. The date of this semi final has not yet been fixed.

It seems a very long time since we were able to see all our Wembley forwards in action at the same time. But today we hope to see this exceptional circumstance. Frank Collier and Vince Karalius we hope are to play. It will be Frank's first appearance of the season. He suffered from tonsillitis and had to have an operation. We wish him success upon his long awaited return.

Meanwhile reports about Frank Myler's injury are not as good as we had hoped and his return to the team is delayed. Ged Lowe too

The MACKESON RUGBY LEAGUE CONTEST

association with The Rugby Football League

 The Mackeson Rugby League Contest Trophy and a cheque for 200 guineas goes to the team with the best scoring record for the season. Cheques for 100 guineas and 50 guineas go to the runners-up.

Specially inscribed silver tankards will be awarded to the top scoring team in each of five periods during the season, and a special champion's flag to be flown throughout the following period.

The 5 periods are:

AUGUST 22 to SEPTEMBER 26

SEPTEMBER 28 to NOVEMBER 21

NOVEMBER 23 to JANUARY 9

JANUARY 11 to MARCH 6

MARCH 8 to MAY 8

is unlikely to play thro' injury. It seems fated that we cannot put the Wembley side, or at least most of it, into the field at the same time.

Widnes supporters will be pleased to learn that the Edgar Bate Testimonial has now got under way, and present indications are that it will be a bumper. Over the past few seasons the Widnes fans have shown their appreciation of the efforts of our players, and last season's effort for Willie Thompson was a record.

The Testimonial Committee are now planning all kinds of social efforts to boost the fund, and at sometime or another they will be "Down your way". We hope that the sporting public of the town will again show their generosity to this fund.

Congratulations to Jim Measures on getting into the County team to meet Yorkshire at Hull on Wednesday. Alan Briers and George Kemel are on the reserve.
