SALFORD *versus* OLDHAM

SATURDAY, 13th NOVEMBER, 1965. Kick-off 2-30 p.m.

OUR VISITORS

We have had many great games of rugby with our visitors from Oldham and we are hoping that today's match will live to to tradition. After a good start to the season Oldham have found the going tough in the last few weeks. We are sure that they will soon recover from this spell, but naturally hope that they do not do so at our expense today.

The Oldham side is capable of beating any team in the League for on paper, at least, they are indeed a formidable team. The Oldham club has never been afraid to enter the transfer market for a player who could be an asset to them, and a glance through the team sheet will confirm this.

In a short period of time three ex-Wigan players, namely John Winton, Jim McCormack and Stan McLeod, have left Central Park for Oldham. John Winton is one of the leading goalkickers in the league as well as being a strong full back. Young Tommy Warburton has soon made good after leaving the Rugby Union game and a big future is being predicted for him. The King Pin of their fine pack is Dave Parker, who like our own Arthur Hughes, is most impressive with his fine running and his ability to use the

ball. Another teenager in the Oldham line-up is Bob Irving who is proving to be a rare find.

After our last home game with Whitehaven Oldham signed Alan Burns who played against us in Whitehaven that day. We are naturally pleased to have another opportunity to see him at the Willows.

■ We are sure that the game today will be a hard one, but after taking into account our improved form, we are very hopeful that we shall collect the league points and improve our position in the league table.

CLUB NOTES

We should like to congratulate every one of our team on their fine win at Widnes. Their tremendous courage and spirit combined with their open attacking play was a great tonic to their supporters.

You can all imagine that both Arthur Hughes and Geoff Smart who both come from Widnes were more than delighted with the victory.

We would like to pay a tribute to our friends from Widnes on the fine way they took their defeat.

CLUB NOTES—continued

Today's game should see the debut of Alan Davies for the "reds". We should like to wish him well at the Willows, and feel sure that his wealth of rugby experience should be invaluable to us in the future. We are all hoping that Arthur Hughes and Alan will be able to provide the leadership now that Brian Sparks has retired from the game.

Aidan Breen must be feeling there is a hoodoo on him at present. After being out of the game with a leg injury for a few weeks he sustained a bad cut which necessitated four stitches over his eye in our "A" team game last Saturday.

Terry Loughlin has rejoined us from his trial period at Leigh. He has asked to come off the transfer list and does not now wish to leave the club.

The contractors have started work this week on the installation of our floodlights.

ALAN DAVIES

This week's photograph personality is of our latest acquisition Alan Davies. Alan is making his debut for us today and appropriately so against one of his former Clubs—Oldham. Since he signed at Watersheddings as a teenage boy he has established for himself a world wide reputation with his sterling centre-threequarter play. After playing over ten seasons for Oldham Alan joined Wigan for a five figure fee, and he was a big factor in establishing Trevor Lake in our game.

These days Alan lives at Chorley. By profession he is a representative for a well-known firm. He is married with three children, two girls and a boy.
