## OFFICIAL NOTES

A few weeks ago we were defeated by Oldham at the Watersheddings and today we welcome them to Fartown for the return fixture and hope to turn the tables on them.

Lady Luck certainly wasn't with us in the matter of injuries in that previous game, for although it was a cleanly-fought encounter we had several players hurt. We hope that neither side will have any trouble in this respect today.

Oldham were doing quite well up to our first meeting of the season but since then they, too, seem to have been deserted by Lady Luck. They haven't won a single one of the seven games they have played. Six games have been lost and the other one, at home to Liverpool City, was drawn.

Last Saturday Leeds beat them at Watersheddings and Oldham will undoubtedly be keen to get back on the winning track at our expense today.

(Also BINGLEY and MORECAMBE)

Our former long-serving fullback and captain, Frank Dyson, who left us to take the player-coach job with Oldham has now retired as a player and the full back position is held by John Winton, a South African who originally came to Wigan with Trevor Lake.

A newcomer, Tomlinson, will be in this position today, however.

Trevor Simms recently made a welcome return after a lengthy lay-off with a broken leg, and there are several experienced three-quarters on the books in such as McCormack and McLeod (ex-Wigan), Donovan (ex-St. Helens), and Mike Elliott, a former Welsh R.U. winger.

As always, Oldham are strongly represented in the forwards and they recently made an important addition to their ranks when they signed Alan Burns from Whitehaven. Kevin Taylor, who played in the recent Under-24 International, seems to have taken over the hooking role

from Len McIntyre (who is on the transfer list) and another international is loose-forward Dave Parker.

Tug Wilson was an England player during his R.U. days, and an Oldham forward who is coming rapidly to the fore is Bob Irving, a former Huddersfield League junior. The latter is on the injured list.

Just a year ago Oldham beat us at Fartown by 12 points to 10. We must watch that they don't repeat the feat this afternoon.

### Today's Curtain-raiser

Ground conditions permitting, there will be a curtain-raiser between St. Joseph's and Huddersfield Supporters' before today's game. A collection will be taken for Huddersfield and District League funds.

### Programme Prizes

Two prizes will be given to the holders of the Winning Programme Numbers which

will be announced at half-time. There will be a first prize of £2 and a second prize of £1. Winners should apply at the Office in the Pavilion.

The first prize at the Leigh match (8327) was not claimed. The second prize (8706) was won by B. Shaw, 9, Co-operative Terrace, Honley, Huddersfield.

Get the Programme Habit. YOU could win a prize.

### Please Note

Stand patrons wishing to use the new bar must obtain a pass-out check on leaving the Stand. In order not to inconvenience Stand patrons who are not club members and who wish to visit the bar before the match, Stand Tickets may be purchased at the Office at the normal price of 5/- each and on production of this ticket they will be allowed through the wicket-gate. Admission to the actual bar itself is, of course, by **Supporters' Club Card Only**.

### Here and There

Brian Curry scored his 150th point of the season with his fourth goal at Whitehaven last Saturday. As will be seen from the scoring list in another column, Brian is at present the leading R.L. goal-kicker.

Oldham have recently had floodlights installed and are taking part in the mid-week competition on Tuesday evenings.

This week they were due to play Castleford on Tuesday but the game had to be postponed until Thursday owing to ground conditions. Castleford won 6-4.

We have placed Peter Goddard on the transfer list.

Our former stand-off, Gwyn Davies (now on Dewsbury's books) is having a month's trial with Featherstone Rovers, and Alan Redfearn (who left us for Doncaster) is having trials with Blackpool Borough.

We understand that Frank Dyson is applying for the post of trainer to the Gt.

Britain Touring Team to Australasia next year.

Gordon Thompson is being permitted to assist Lockwood in the local District League.

At the time of writing Blackpool Borough are negotiating with Ally Woodcock, to whom we have given a free transfer.

Liverpool City have decided not to retain the services of John Chadwick.

### Supporters' Club

Now that the colder weather is coming, don't forget that hot soup can be obtained from both the Pavilion Canteen and the Refreshment Hut by the Scoreboard.

We shall be running our Annual Xmas Effort again this year and will greatly appreciate the assistance of our members towards making it a success.

### TV Floodlit Competition

The two Semi-Finals will be played on the grounds of the two clubs having the highest scoring margins. At present, Widnes and St. Helens are the two clubs with the best scoring margins. Widnes would have as their opponents the Semi-Finalist with the poorest scoring margin and St. Helens would be at home to the remaining club, unless the position alters.

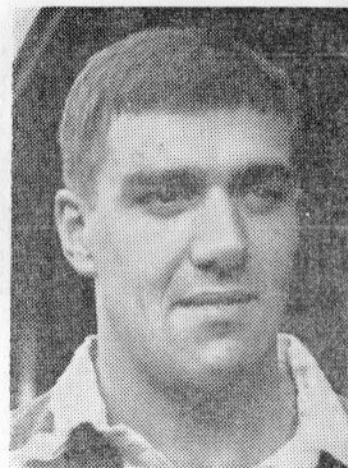

The Final will be played on the ground of the Finalist having the best scoring record in the Competition as a whole.

If a drawn game occurs in the Semi-Final, the tie will go to the team with the best scoring margin (unless the two clubs concerned agree beforehand to have a quick replay). The date of the replay must not, of course, affect the overall timetable which is as follows:—

30th November—Team with best scoring margin at home to Semi-Finalist with poorest scoring margin (at the moment it rather looks as if this game will be Widnes versus Castleford, Swinton, Oldham or Leigh).

7th December—Team with second best scoring margin at home to remaining team as things stand at present it rather looks as if St. Helens will be at home to either Swinton, Castleford, Oldham or Leigh).

14th December—FINAL—at ground of the Finalist with the best scoring margin.
