OUR VISITORS

TODAY we welcome Oldham to Craven Park. Their position in the League is very similar to our own. Unfortunately Oldham are in very serious financial plight, and a move is being made by certain of their supporters to change from a Members' Club to a Limited Company. Whatever the outcome we wish them well and hope the day is not far off when they are once again the successful club they used to be.

We look forward to a good game this evening, and another win for Barrow.

CONGRATULATIONS to our team for their win against Widnes in the BBC 2 Floodlight Competition. We now look forward to a repeat performance against St. Helens in the next Round.

I am quite sure that all of our supporters now know that in Keith Jarrett the Board have made a really good signing. We are still continuing our search for other players, and every effort is being made to strengthen our forwards. Numerous players have been watched but as yet we have not been successful.

To make sure that finance does not stand in the way of further signings the Progressive Branch have promised to repay loans made to the Club. As they have already promised the cash for Keith Jarrett's signing, you will see that it is imperative that the Daily Draw continues at its maximum membership. If you would like to be a member or a collector, call at their office at the main entrance to the ground.
