No. 6

Saturday, 28th November, 1970

Kick-off 3 p.m.

### GENERAL NEWS

The team's success at Blackpool, in addition to giving delight to our supporters — especially the gallant band who made the journey to the seaside — has opened up great possibilities.

Are we now to "set to" and ensure a place in the top 16 of the League, a place we were denied at the close of last season by the most cruel twist of fate? Can we make it? These are two questions now being asked and a ready answer is not

easily available. Much will depend on circumstances, but we may be sure that if, in the event, it rests with the coach and the players "First Division" football could be possible at Mount Pleasant next season.

BRADFORD ROAD BATLEY Tel. 2424

Our record in recent games has been one of consistent success in which all have played a good part, and the fact that we have scored more tries than goals this term is already being made the subject for comment.

We give a warm welcome this afternoon to our friends from the Watersheddings and hope the game

will prove attractive. At the time of writing they are in a higher place in the league table, but we are hoping that ground advantage will tell in our favour.

Congratulations to Stan Gittins on his 21st birthday, his success in the Player of the Match competition, and his consistently fine form.
