WELCOME TO OLDHAM

Today, we welcome Oldham to Naughton Park in a league Match which has double importance. Oldham are at present in 8th position in the Table, whilst we are two points behind in 9th position. In addition to being vital to both sides, as far as this Season's play off is concerned, League points are now at a premium to ensure a place in the first division next Season (more about that elsewhere).

Oldham are having a good Season, having reached the quarter finals of the Challenge Cup, and were also beaten in the semi-final of the Floodlight Cup. Their League record is also impressive and only a top class display from our team is going to be good enough to ensure victory.

In the game at Watersheddings in October, we won a classic game by 18 pts to 17. Oldham's first home defeat of the Season. Oldham were full of praise that day for our performance and if today's game is half as good, the spectators will certainly have their money's worth.

Martin Murphy, Oldham's Lancashire County full back will be missing, as he sustained a fractured wrist in last week-end's Cup-tie at Hull. This is a cruel blow to Oldham, for Murphy has been at the top of his form in recent weeks. Winger Hodgkinson, is also doubtful with a neck injury, another County player, he scored a fine try in our previous encounter this Season. Centre Larder is also the team's goalkicker and just how valuable a kicker of his consistency is, was proved last week-end in our own Cup-tie at Warrington.

At half back, Skipper Cliff Hill and McCone are a fast and elusive pair. Signed from Wigan and Doncaster respectively, both have proved bargain buys and Oldham will be hoping that Hill, in particular, will escape further injury today, for he has had wretched luck this Season.

Their front row must rate as one of the best in the League. Frank Foster, Kevin Taylor and Tug Wilson have a vast amount of experience. The acquisition of Foster from Barrow was a shrewd buy on the part of Coach Graham Starkey and he has proved a great pack leader. In the second row is Bob Irving, a Great Britain tourist and a member of this Season's World Cup party. Fast and powerful, he will have to be closely watched today.

MATCH REPORTS

A narrow League win over Leigh and the Cup defeat at the hands of our neighbours Warrington. Well it is that Cup defeat which has had the spectators talking. Two tries apiece and Widnes undoubtedly playing most of the open attractive Rugby, is small consolation for Warrington will be in the quarter finals. The injury to Dennis O'Neil occurred early in the game and this undoubtedly had an unsettling effect, especially as Fred Newton also had to retire after 15 minutes. Both substitutes, however, played their hearts out and Ged Lowe made some telling

tackles. All fifteen players gave everything and the final score was no reflection on the match itself. We w sh our conquerors well in the next round and thank our fans for the wonderful support once again.

BEHIND THE SCENES

Several players are doubtful for today's game. Reg Bowden is already out for the rest of the season and Dennis O'Neill suffered a reoccurrence of his groin injury and will be out for two or three weeks. John Warlow, Ged Lowe and Fred Newton also received knocks at Warrington and were under treatment during the week, however, all three could be fit. Ray Dutton who was unfit last week-end was expected to resume in the "A" team yesterday at Oldham.

TWO DIVISIONS

As you have probably read in the Press, Widnes voted against the Executive Committee's proposal to introduce two Divisions next Season. The Club felt that the time was not right to make a further change in the fixture system and that the present scheme introduced at the start of this Season should have been allowed to continue. The voting at the Rugby League Council Meeting was 19 votes to 11 in favour of the Executive Committee proposal and was carried under the 3/5ths majority bye-law. Next Season there will be 30 fixtures for those Clubs in the 1st Division and 26 for those in the 2nd Division, this compares with 34 fixtures played by all Clubs at present. For the sake of Rugby League, let us hope the new scheme is a big success.

DEATH OF Mr. THOMAS

As many people will know, at our last home match a long-standing spectator Mr. Thomas of Norlands Lane collapsed and died. Many people went to the late Mr. Thomas' assistance and we should like to thank all those people for their efforts. We also extend our sympathy to his relations and friends.

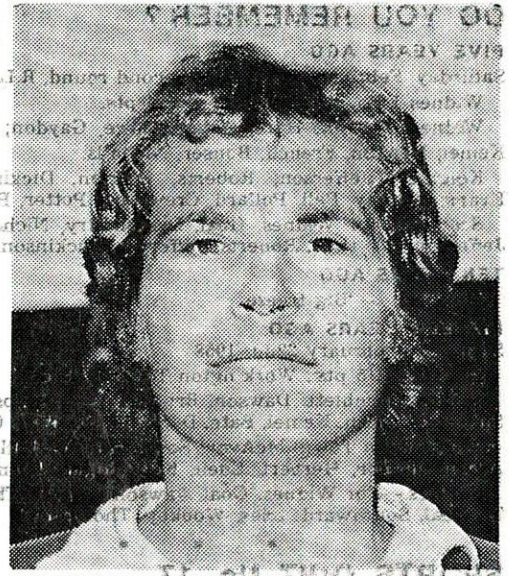
Dave Macko



Today's personality is another local lad, Widnes born DAVE MACKO.

A product of junior rugby with Simms Cross and Fairfield Schools he followed the same pattern as many of his colleagues.

After school he played for Our Lady's Youth Club and Lowerhouse Juniors where he attracted the attention of a number of professional clubs.

Dave turned professional with Wigan Rugby League Club but after showing great promise in his early days he lost form due to injury and returned to amateur rugby with St. Maries. Widnes then persuaded him to try his luck as a professional once again and he quickly made his way into the first team.

The sight of this long striding blond haired forward thrilled the crowds at Naughton Park who began to think Widnes had found another forward as fast as Jim Measures.

Once again injury has held Dave back, a shoulder injury and a broken nose this season have not helped him to regain his confidence, but it's early days yet and we can look forward to his speedy bursts once again when he is fully fit.

A plasterer by trade, Dave enjoys swimming and dancing. He represented Widnes in the Lancashire 100 yards freestyle championships as a schoolboy.

Ladies!! Dave is a good looking, 6 ft. tall bachelor!
