THE DIFFERENTIAL PENALTY

For technical offences at the scrummage, the non-offending side shall be awarded a tap penalty to be taken at mark

The following definitions apply;-

"Technical offences" - loose arm, illegal binding
foot up, lowering & twisting,
feeding own feet, BUT NOT
offside, fighting, etc.

"The Mark" - where the offence occurs, i.e.
where the scrummage takes place.

The non-offending side must take the tap at the Mark. They have not the option of kicking at goal or finding touch.
