MESSAGE FROM THE BOARD

Good afternoon and welcome to Alt Park

Well, after our promising performances in the last month or so Easter brought us down to earth with a bump as we lost both games to Carlisle and to Blackpool. Against Carlisle we went down 19-5, our scorers being Bob Deegan (try) and a goal by Peter Glover and the following day missed the chance to move off the foot of the table for the first time this season when we lost at Borough Park by 31-18.

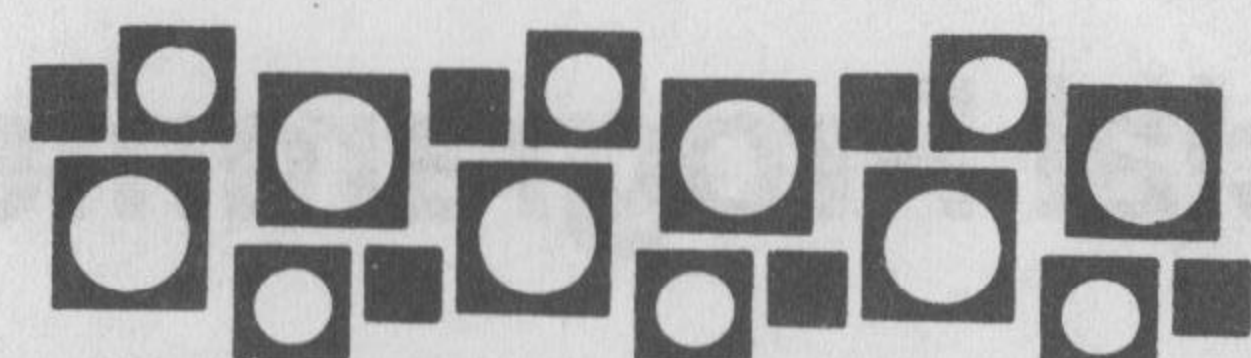

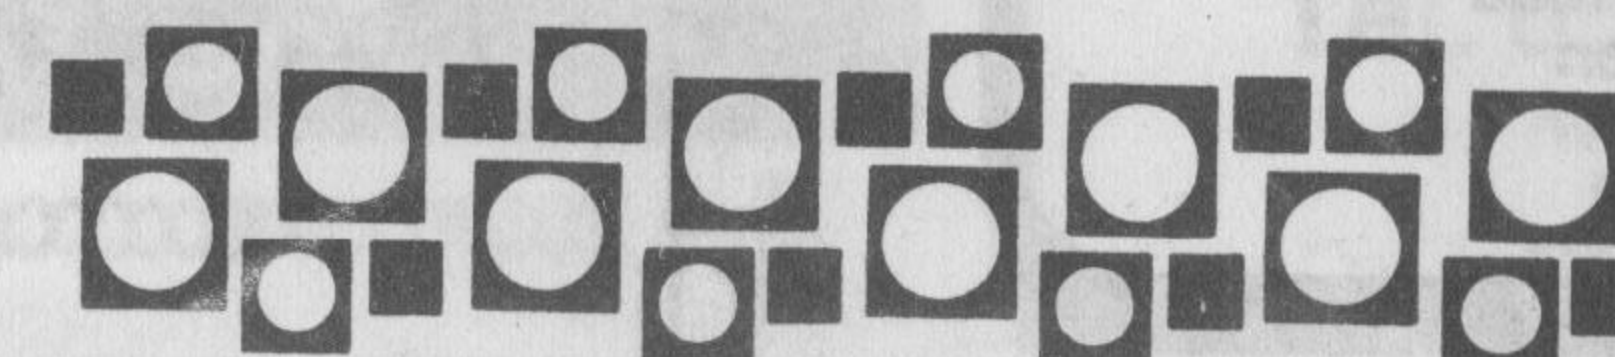

We managed to score four tries in that game — and, to be honest, that doesn't happen very often in Huyton's travels — through Robert Smith, Peter Middlehurst, Tony Cooper and Dave Picton. Peter Glover added four goals to this but we still finished up losing. So, all in all a disappointing holiday but we have to put all that behind us and concentrate on getting as high a place as possible in the table. We still have five home matches, including today's game to play, with our only away trip being to Salford next Wednesday. Those outstanding games mean we could have a say in the top four placings. So apart from meeting Oldham and Salford we have yet to play Halifax and Hunslet at Alt Park and both these teams are still in the promotion hunt.

Our visitors

OLDHAM

Today we extend a warm welcome to our visitors from Watersheddings. After one season back in the Second Division, Frank Myler's team look set to resume their place in the top flight. At the time of writing they are in second place in the league, having picked up 46 points from 25 games, losing just two league games all season. They are chasing Carlisle for the championship and with games in hand it could develop into a very interesting struggle. When we last met Oldham in December they defeated us 33-3 so we have to show a considerable improvement to reverse that score.
