HULL F.C. v OLDHAM

Slalom Lager First Division Championship

Sunday, 5th February, 1984 **Kick off 3.00p.m.**

After a fortnight's break from league football due to the weather and the international fixture in Avignon last weekend we return to action today and welcome talented Oldham to the Boulevard. Despite occupying a surprisingly low position in the league the Roughyeds possess some of the game's outstanding youngsters and Hull fans will have an opportunity of assessing **Andy Goodway** for whom Oldham rejected our £70,000 bid recently. Goodway was just one of three Oldham players who featured in Great Britain's 12-0 victory over France in Avignon last weekend, the others being centre **Des Foy** and second-row forward **Mick Worrall** and **Foy** and **Goodway** also registered Britain's two tries. All three are strong contenders for the Summer Tour of Australasia as is scrum half **Ray Ashton** who proved a real thorn to us in our 12-18 defeat at the Watersheddings in October.

Since the departure of **Frank Myler** to take over the Great Britain vacancy **Peter Smethurst** has added shrewdly to the signing of **Alan McCurrie** from Wakefield Trinity. During the close season he persuaded **Mick Morgan** to leave Carlisle and Morgan's handling skills have bolstered Oldham's pack. Then after full-back **John Taylor** emigrated to Australia Smethurst found an adequate replacement in Kiwi full-back **Nicky Wright** though the versatile New Zealander is scheduled to return home soon and is already under suspension. In addition **Ian Birkby** was signed on loan from Castleford just prior to our visit to the Watersheddings in October and impressed so much that Oldham decided to pay the £5,000 fee.

So with time and patience required as Oldham's promising side blends together it will be intriguing today to contrast our own youthful talent with that of the Lancastrians. Certainly the Roughyeds will be keen to repeat their 8-2 league victory at the Boulevard last season, the only home league reverse sustained in our Championship winning campaign.

Hull F.C. Winners of Daily Mirror/Lada Cars Team of the Month Award

Today's special pre-match presentation is the Daily Mirror/Lada Cars First Division Team of the Month Award for January.

Club skipper David Topliss will receive a cheque for £200 and a framed citation from representatives of the Daily Mirror and Lada Cars.

The award is in recognition of the Airlie Birds four match unbeaten run during January starting with an away victory at Featherstone Rovers and successive home wins over Bradford Northern, St. Helens and Leigh.

The judges were impressed by the performances of the influx of young stars, particularly in the win over Bradford Northern and the average age of the pack was around twenty two.

NORTHERN DAIRIES

Review of 1983 — continued

Having flourished against the Loiners on three previous occasions during the campaign with a 20-0 Yorkshire Cup victory at Headingley followed by an emphatic league double, Leeds were obviously keen to halt the sequence and the Headingley outfit are never more dangerous than when the odds are heavily stacked against them. They had illustrated their unpredictability with a first round win at Wigan and came to the Boulevard hoping to take advantage of any complacency on our behalf with Wembley only six days away. Arthur Bunting's immediate worries were provided by minor injuries to **Gary Kemble, James Leuluai, Paul Rose** and **Keith Bridges** and although all four missed the confrontation with Leeds it hardly affected our rhythm. In fact the weather posed more problems than the Loiners as constant rain and a saturated pitch restricted free-flowing football but **Phil Edmonds** and **Ronnie Wileman** revelled in the heavy going to enhance their claims for Wembley places. Our elusive hooker opened the scoring after just five minutes when lunging over from a play-the-ball and the burly prop forward's try midway through the first half set us on the victory path after Leeds had drawn level at 5-5.

Hull supporters were also warmed by the performance of French newcomer **Patrick Solal** who demonstrated his scoring prowess with his first senior try in English rugby and the stage was now set for our second consecutive Premiership Final meeting with Widnes who had comfortably accounted for Hull K.R. at Craven Park with **Tony Myler** stealing the show with a hat-trick of tries. Our involvement in the closing event of the season was enhanced by the progress of Hull Colts to the Premiership Final with a 12-3 disposal of neighbours Hull K.R. and their decider with Leigh Colts was to be played as a curtain raiser to the senior event. But first we had a rather important date with Featherstone Rovers at the Twin Towers. Having enjoyed our finest hour at Elland Road twelve months earlier with our first Challenge Cup success for sixty eight years Hull supporters still waited patiently for Wembley glory. Our pairing with struggling Featherstone presented us with a glorious opportunity of success at the fifth attempt and many compared the David and Goliath duel with the Hunslet and Wigan final of 1965. In fact so highly fancied were we to retain the game's most coveted trophy that bookmakers had stopped taking bets. How ironic fate can be!

Peter Sterling can't wait to be back !

The postponement of our home fixture with Leeds due to the heavy snowfall meant that **Peter Sterling** was denied the opportunity of bidding farewell to all you Hull supporters who have made him so welcome in his short stay. Little more needs to be added to that already emphasised about the marked impact Peter has had at the Boulevard both on and off the field in his eight match spell and the side's record since Peter's arrival speaks for itself:-

P	W	L	D	F	A
8	7	1	0	209	89

The full record is:-

December	27	Featherstone Rovers	home	W	37- 4

Before his return to Australia for the new season with Parramatta Peter wished to thank all those who had helped make his stay so enjoyable particularly the officials, players and supporters of Hull Football Club and also North Country Breweries, Armstrong Massey and The Sun newspaper. It has been a pleasure to witness the world's top scrum-half in Hull's colours for his dedication, pride of performance and shrewd knowledge are attributes which have rubbed off on the rest of the side and aided the development of youngsters such as Garry Schofield, Gary Divorty, Andy Dannatt and Shaun Patrick. Richard Tingle of the Hull Daily Mail interviewed Peter before his departure and will be featuring articles in forthcoming Sports Mail editions. In the meantime we wish Peter a profitable season with Parramatta and hope that his loss will not affect our performance too much and look forward to his return next October.

Today's Match, Match Ball and Man of the Match Sponsors

The Yorkshire Building Society is pleased to be associated with Hull F.C. and wishes all officials, players and supporters the best of luck for today's game.

The Yorkshire Building Society is one of the country's leading societies with 650 branches and agencies throughout the United Kingdom.

As well as the Hull branch at 68 Paragon Street there are four agencies in the City at: Marlborough Estate Agency, 99 Chanterlands Avenue; Tony Brown & Co., 70 Wright Street; North Star Insurance Brokers, 10 Albion Street and G. Davis, Insurance Consultants, 176 Kingston Road.

The Yorkshire offers a wide range of services for investors and savers. There is Diamond Key, an extra interest account, which pays 8·5 per cent on balances of £500 or more and offers a choice of withdrawal terms including a monthly income option.

Golden key was the Society's first shining new key account and still offers 8·25 per cent and instant withdrawals (subject to only 28 days' less interest penalty). Again the minimum investment is £500.

Paid up Shares offer complete flexibility and don't forget you can open an account for as little as £1.

For regular savers Moneymaker and Subscription shares offer attractive rates and differing degrees of flexibility to meet all your needs.

So remember, if your goal is a better investment Yorkshire has the key.

YORKSHIRE BUILDING SOCIETY HALF TIME QUIZ
WIN TODAY'S MATCH BALL

Answer the five questions below and send your answers on a postcard with your name and address to Mr. Bob Jaques, Yorkshire Building Society, 68 Paragon Street, Hull, to arrive not later than Wednesday, 8th February.

The first correct entry will win today's match ball.

1 What is Hull's record victory over Oldham at the Boulevard and when was it?

2 Who made his home debut for Hull in that game and what was significant about it?

3 Which Oldham player's brother in that team is still playing for the club?

4 Which Hull player scored his 100th First Division try last season and in what game?

5 When Steve Norton joined Hull which player went to Castleford in part exchange?

Questions on Hull F.C. have been kindly compiled by Dick Tingle, Hull Daily Mail.

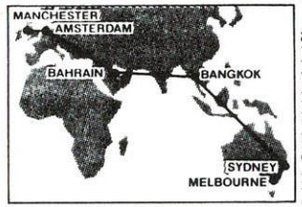
Manchester to Australia direct. The big hit from Qantas.

"You don't bowl me over, Qantas!"

"Now you're operating direct flights to Australia from Manchester, flying those luxurious wide-bodied 747B's.

"Making it far too easy to get down under, without getting lost in London.

"Departing every Friday and Sunday, at the convenient time of 1845 hours, direct to Sydney and Melbourne. Calling at Amsterdam, Bahrain and Bangkok.



"Pampering all you Northerners, with free drinks, free headsets, free wine with meals, nine channels of music and all the latest movies.

"Well, I know you're the only airline to fly from the North to Australia, Qantas.

"But really this just isn't cricket!"

Good Luck Lads

Our best wishes go to five of our current side who have been included in the 41 man Great Britain squad selected to undergo special training in the unsuing months in preparation for the Summer Tour of Australasia. The squad will be reduced to 30 by the end of the season and there is still room for manipulation as players who have been omitted hope to enhance their own claims for a Tour place. In the meantime we wish **Lee Crooks, Steve Evans, Trevor Skerrett** and our two youngsters **Garry Schofield** and **Andy Dannatt** the best of luck in their bid for inclusion in the final line-up.

The current 41 man squad is:-

convert to aluminium double glazing

Aluminium; strong, durable and attractive — the outstanding feature of Eltherington's 'Barrier' double glazing. Unlike such materials as uPVC, aluminium does not warp, crack, twist or corrode. It simply withstands the worst that the elements can offer and remains unaffected.
Combine this durable quality with a thermal-break system that retains heat, eliminates draughts and reduces condensation . . . and you've got 'Barrier', Eltherington's unique aluminium-framed double glazing system — a system that's as effective as it is attractive, and is completely maintenance-free.
For full details of the 'Barrier' system just call in at Eltherington's Dansom Lane showroom, soon.
