LEN CASEY talking

Not exactly as I had planned, but honours came out even in the holiday double with Featherstone Rovers. In the first meeting at the Boulevard we took time to settle into the rhythm which had enabled us to give Wigan such a close encounter. Initially our defence looked susceptible but once we had opened the scoring against the run of play we always had the upper hand. That score was a classic as **Andy Dannatt** slipped a pass to **Phil Windley** on our twenty five and the ever improving youngster broke into the clear before finding **Garry Schofield** in support on halfway and I suppose you can guess the rest. That narrow advantage was retained until two minutes into the second period when **Gary Pearce** confirmed his rapid development by dummying three defenders and crashing in close enough to improve his own touchdown. The Welshman also had a hand in our next two scores as he firstly popped the ball up for **Dane O'Hara** to score an opportunist try and then featured in a dazzling move inside Rovers' twenty five — it followed a copy-book move from a scrum, **Phil Windley** provided the initial quick service, **Pearce** fed **Garry Schofield** who handed onto **Gary Kemble** and the Kiwi sent **Paul Eastwood** diving over in the corner. Great Britain scrum half **Deryck Fox** salvaged some consolation for the Colliers with a late try but we had the last word when **Lee Crooks** whom I had rested somewhat by including him as substitute, showed his prowess by powering over. Once again the foundations for victory were provided by our young props **Andy Dannatt** and **Alan Tomlinson** whose constant driving set up scoring positions. Sadly both sustained injuries as well as **Shaun Patrick** which kept them all out of the return game at Post Office Road two days later and how their absence was felt.

With **Dane O'Hara** also sidelined with influenza I was enforced into several changes. Young **Paul Welham** took the vacant second row berth

with **Lee Crooks** having to move up to prop. The continued excellence of **Phil Windley** meant **Kevin Dick** again having to be satisfied with the substitutes berth. Always notorious for their heavy pack, Featherstone looked to have the edge in this division with the experienced **Keith Bell** and **Peter Smith** supplemented by the class of rising star **Paul Lyman**. There was little to choose between the two sides for the opening quarter, only a **Deryck Fox** penalty breaking the deadlock. Then a lapse in concentration at a scrum left **Peter Smith** free and he sent Great Britain Colts' full back **Chris Bibbs** on a fifty yard run to the posts. Eight points in arrears we desperately needed a score and **Tracy Lazenby** provided the answer with a magnificent break, showing the pace of a threequarter before handing on to that man Schofield and once our flyer has the line in his sights there seems little stopping him. With the wind in our favour after the interval we would have been happy to go in at 4-8 down but disaster struck just on the interval when **Keith Bell** was allowed to move the ball out of the tackle to **Peter Smith** and he strode between the posts to leave us trailing by ten points and a lot to do on the restart. Try as we did we could not secure the forward dominance to create scoring positions and when impressive prop **Karl Harrison** broke a tackle to send **Richard Marsh** over in the corner the game looked out of our reach. Ironically we played our best football of the game in the closing quarter when Rovers surprisingly tired and our superior fitness began to have its effect. **Lee Crooks** moved the ball out of a two man tackle to **Phil Windley** who scooted between the posts but unfortunately just as **Gary Pearce** was negotiating the simple conversion the ball fell over and the Welshman was unable to lift it high enough for the two points. We continued to hound the Rovers line and chances went begging until **Paul Eastwood** was given room to crash over in the corner. Sadly it came too late to save the day but with more composure we may well have snatched the points though on the balance of play it would have been a slight injustice.

With our away trips still reaping little reward it is imperative that we win our home fixtures in order to stay out of the relegation zone and the visit of Oldham this afternoon presents no easy task. The Roughyeds promised so much last season before falling away and finishing with nothing — a familiar story for the Watersheddings' supporters, who saw some superb football at times from their team. Inspired by Aussies Mal Graham, Gary Warnecke and David Liddiard, Oldham topped the league early season and had genuine hopes of achieving that elusive Wembley appearance the club has craved so long for. In the end, they finished in ninth place, just outside the play-offs and their Wembley dreams were shattered at the semi stage by eventual winners, Castleford.

Gary Warnecke has returned with new Aussie blood in the shape of the strong running **Gary Bridge** and heavyweight prop **Bruce "Bruiser" Clark**. Coach **Frank Myler** has again found his side flattering to deceive although narrow away defeats at Hull K.R., Warrington and Halifax has meant the difference between a top six and a current mid table position.

This afternoon's fixture also sees the return to the Boulevard of former skipper **David Topliss** and he is sure to receive a rousing welcome from our supporters.

Featuring Oldham in Person

GARY BRIDGE. Australian—played last season for Balmain and on his return will join Eastern Suburbs. Equally at home in the centre and at stand off, he is a strong runner with a good kicking game.

GARY WARNECKE. Affectionately known as the "The Gipsy" he played for Oldham last season, and unlike so many of his overseas colleagues, never missed a game. Though centre is his natural position, he can fill in more than adequately in any of the back positions. He is a resolute defender and ever dangerous in attack.

MICK TAYLOR. Most improved player at Watersheddings — very strong and direct in attack and a fine tackler in defence. He is a product of the Huddersfield A.R.L.

DAVID TOPLISS. Needs little introduction, previously starring with Wakefield Trinity and then Hull F.C., appearing at Wembley for both clubs. One of the game's all time greats, his experience is proving invaluable to the young Oldham side.

PADDY KIRWAN. Local lad, who signed from the Oldham colts side — he is a great hearted player with tremendous strength complimented by a good football brain. Turned this season's Lancashire Cup semi-final tie against Widnes in Oldham's favour with a tremendous second half performance. Was the subject of an enquiry by us at the beginning of the season.

RAY ASHTON. Born in Widnes and was a member of the successful Oldham colts side before progressing via the "A" team into the senior side. Toured Australia in 1984 and often tussles for the No. 7 jersey with Paddy Kirwan.

STUART RAPER. Son of the famous Australian tourist John, who tormented Great Britain on many occasions in the mid 60's. His father would no doubt be proud of him if he saw the way he has settled into the loose forward role at Watersheddings, as he shows football sense far beyond his young age. Plays his Australian football for Cronulla and under coach Jack Gibson has matured tremendously.

TOM NAIDOLE. His father played for Rochdale at the time when Hornets signed a number of Fijians in the early 1960's. Tom signed from Wigan three years ago and has been in and out of the side since his arrival, but this year has claimed his own spot. He is very strong and fast for a forward and is proving to be a real tackle breaker.

COLIN HAWKYARD. Native of Huddersfield, plays equally well in the centre or in the second row. Always guarantees 100% effort and a great team player with a tremendous heart for the game.

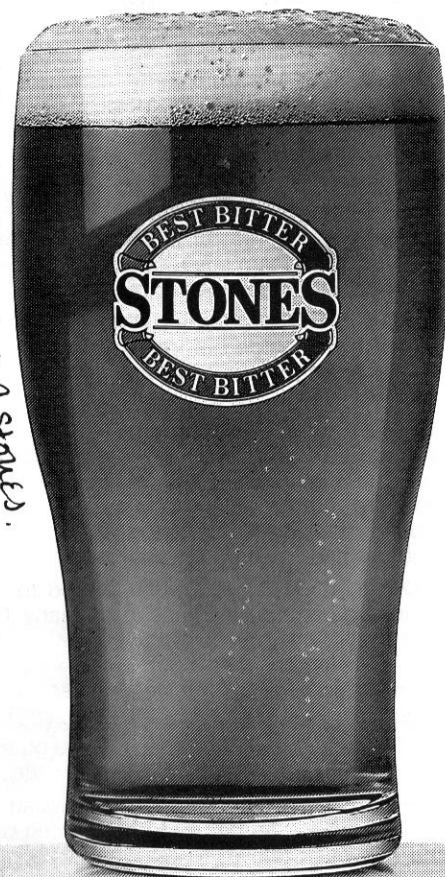

BRUCE CLARK. Another Australian import who plays with Western Suburbs back home. A strong running prop forward with ball skills to match, he has been known to quickly turn a game into Oldham's advantage.

DAVID HOBBS. Was unfortunate not to make the Test side to play the Australians, he is strong in attack and solid in defence. Has a strong kicking game and is one of the leagues better goal kickers.

MICK WORRALL. Toured Australia in 1984, and was doing well until he collected a knee injury in the second test. Alongside David Hobbs, make a more than formidable second row pair.

When the summer sun slips slowly,
Over the grandstand,
And the afternoon becomes still,
The whistle blows,
Your team is lolly,
And you think, "This lot's over the hill",
For Pete's sake go and

have another pint of Stones.

Stones. Sheer poetry.

**Sponsors of
the Rugby League Championship and Premiership.**

WALLY JONES. Great clubman who takes the ball up whenever needed. One of the games under-rated players, and proved to be a real "bargain buy" when he was snapped up from Rochdale two seasons ago.

TERRY FLANAGAN. Played nearly all his career at loose forward, and is the pack leader of the Oldham side, but this season has successfully reverted to the hooking roll — a position forced on him because of an injury crisis in the Oldham camp. He too toured Australia with the Great Britain party in 1984.

HUSSEIN M'BARKI. Born in Morocco, and must be the only North African playing Rugby League today. Began his professional career with Fulham in 1981 and then moved on to Warrington, before joining Oldham last season. Originally played all his rugby on the wing, but has taken over the full back role with flair and style this season.

PAUL SHERMAN. Product of the junior leagues in Widnes and is proving to be a good cover defender, who scores tries when least expected, like the one he bagged in the Lancashire Cup semi-final win over Widnes. Definitely a player one would expect to improve with experience.

DES FOY. Though Oldham born, he began his professional career with Widnes before being signed, when still only 17 years old, by Oldham. Played for Great Britain in Australia in 1984, and is a fast attacking centre, who has not yet achieved his full potential.

The Boulevard 1985 Society

May we take this opportunity to welcome everyone to this afternoon's Stones Bitter Championship match versus Oldham.

A social evening has been arranged for members in the Airlie Bird Bar on Monday, 12th January, 1987 from 8 p.m. onwards. The object is to give members the opportunity to get to know the Management Committee and the Sub-Committee, and provide a better means of communication between Society members. There will be a number of organised events including videos, darts, dominoes, quizzes, etc. Please note, however, that as this will be a private function for Boulevard 1985 Society members only, admission will be strictly by 1985 Society membership card.

£1,000 winner No. 1509, Mr. Glen Graves, receives his cheque which was drawn by Mr. D. Sadler, Production Manager, Spillers Gainsborough.

Boxing Day saw the first of our mini-draws — these will take place after the £1,000 draw at every home match until the end of the season, so even if you miss out on the £1,000 there are consolation prizes.

The following were the winners in the mini-draw on 26th December drawn by Mark Tate:

No. 773 A Thompson — £5	No. 128 Ruby Windass — £10
No. 251 Mr. and Mrs. Windle — £15	No. 216 Mr. A. Wilson — £20
No. 199 G. B. Robinson — £25	No. 717 Mr. Bryan Bates — £30

The winner of our ninety eighth £1,000 draw was Mr. B. JOHNSON, membership number 1217. This number was drawn at the Hull F.C. versus Featherstone Rovers game. Today we will make our ninety ninth £1,000 draw — is your name on our list? Are you taking advantage of the benefits which are extended to members of the Society and supporting THE game at both the Amateur and Professional level?
