Good Afternoon..

Welcome to Spotland for our Boxing Day fixture against neighbours Oldham, to whose Directors, Officials, Players and Supporters we offer a particularly warm welcome.

This is Oldham's first visit to Spotland and is the first meeting between the two teams since Good Friday 1987, when Oldham provided the opposition for the last ever match at the Athletic Grounds. On that occasion Oldham were emphatic winners and went on to promotion and the premiership final when they beat Featherstone Rovers. Last Sunday Oldham put up a fine performance with twelve men against St. Helens at Knowsley Road in the third round of the Regal Trophy, which is

further evidence of their all round ability.

In contrast to Oldham our performance against Bramley here at Spotland was probably our worst of the Season, it is some indication of the work that has to be done to secure our position in the top flight. We now have to put last week behind us and re-build the Season from scratch, starting with today's game.

Today sees the start of our new commercial venture the Match Day Tote, coupons are available at the Club Shop.

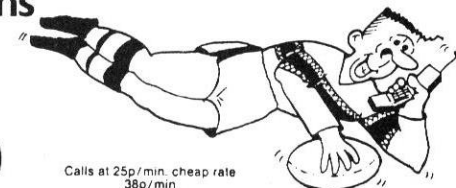

In January the Rugby Leaguer Review is producing a special colour feature on Hornets, you can order a copy of the review from your newsagent or at the shop behind the main stand.

Today's Opponents

The festive treat of the year brings two of the top second division clubs together today. Oldham, currently lying either second or third (depending on which league table you look at) were the last visitors to the Athletic Grounds two years ago when they were promoted. That season saw Oldham win at Watersheddings 24-12 and at the Athletic Grounds 58-6. Last season saw Oldham struggle in the league but have some well deserved victories in cup matches. An inspired purchase of John Cogger caused a mini revival which saw them nearly hang on to First Division status.

Top try scorers last season were Paul Lord and Paul Round with 9 each. Top goal and points scorer was Duncan Platt with 41 goals and a total of 98 points. Finally a Merry Christmas & Happy New Year to all supporters of both clubs.

OLDHAM R.L.F.C. PEN PICTURES: 1989/90 SEASON

JOHN FIELDHOUSE Recent signing from St. Helens, Gt. Britain International — man of the series against the Kiwis. Has settled in and playing the sort of rugby that made him an international.

RICHARD IRVING Signed for Oldham in August, 1987 from Moldgreen ARLFC and impressed coach Eric Fitzsimmons with his strong-running wing displays, scoring tries against Keighley and Rochdale. Scorer of just two tries — against Wigan and Wakefield — last season.

JOHN HENDERSON Signed from Leigh club, this prolific try-scoring centre suffered through injury for much of last season and scored 8 tries. Scored 31 tries in 1985-86 and another 27 in 1986-87 for Leigh, gaining selection for Lancashire and scoring a try, in a 22-22 draw with Papua New Guinea in 1987. Guested for Sydney Wests in 1985.

CHARLIE McALISTER A sensational capture from Bradford & Bingley RUFC in February, 1988, scoring 9 tries and 16 goals in 18 appearances in his debut season. Had a summer spell in Australia with the Newcastle Knights, in 1988, improving his defensive abilities. Kicked four goals in the 1988 Second Division Premiership Final. New Zealander with great strength and pace and the ability to play in a variety of back roles.

KEVIN MEADOWS One of the First Division's most underrated wingers, having previously played for St. Helens and Warrington. Scored 16 tries in 38 appearances in 1987-88. In his second spell at Oldham where he once scored 5 tries in a First Division match against Salford in 1984. Seven tries last season included a hat-trick in a 64-2 Lancashire Cup slaughter of Workington.

DUNCAN PLATT Goalkicking full-back signed in November, 1988, from Widnes. Brother of Wigan and Great Britain forward Andy, he was in Widnes' Premiership winning team in 1988 and contributed 90 points from 16 appearances in their championship win. Excelled for Oldham and scored 41 goals and 96 points in his debut season. Kicked 2 goals on his debut here at Thrum Hall in the 12-0 win last December.

RICHARD RUSSELL Oldham's major off-season signing,

Inside Information

coming from Wigan, where he had gained Great Britain Colts and two Under 21 international selections in 1987 and 1988. Played in every back role at Central Park but received very few opportunities last season. Represented Wigan in the 1987 Lancashire Cup and Premiership Finals.

MIKE FORD BARLA Young Lions tourist to New Zealand, in 1983 signed for Wigan from the Oldham, St. Annes ARLFC in August of that year. Won Challenge Cup (1985), Lancashire Cup (1986 and 1988) and John Player (1986 and 1987) honours, before joining Leigh. Gained four Under 21 international caps between 1985 and 1987 and also had a spell with Sydney club Eastern Suburbs. Toured Down Under with the Lions last summer, scoring 5 tries in 7 appearances. Signed for hometown Oldham in January, 1988, after an unhappy spell at Hilton Park, and was outstanding as Oldham defeated Featherstone in an epic Second Division Premiership Final. Totalled 9 tries and 3 drop goals in 19 appearances as Oldham swept to the Second Division Championship in 1987-88. Three tries last season.

STEVE ROBINSON Signed from Saddleworth Rangers 2 seasons ago and has progressed to be a very fine winger.

NEIL CLAWSON Son of much-travelled former Trinity and Great Britain prop forward Terry, Neil is another front-rower with lots of ability. Joined Oldham from Featherstone in May, 1986 and scored 2 tries in 26 appearances 1988.

JOHN FAIRBANK Former BARLA international forward signed by Leeds in November, 1987, from Elland ARLFC. One of five League-playing brothers and son of former Leeds and Huddersfield forward Jack. Played 19 games in his debut season for Leeds, but was surprisingly allowed to leave Headingley last August. Strong, forceful 21 year-old whose best is yet to come.

ANDY RUANE Former Widnes and Rochdale hooker, signed for Oldham by Eric Fitzsimmons, his former coach of the Hornets. A great worker in the loose, with goalkicking skills, he scored 12 tries, 15 goals and 2 drop goals for Hornets in 1987-88. Made his presence felt at Watersheddings, claiming the No.9 jersey and kicking his first goals against Workington Town in the Lancashire Cup tie. One of the most impressive performers in the relegation year, scoring 4 tries and 15 goals.

PAUL ROUND Signed for £65,000 from St. Helens in August 1987, instantly repaying Oldham with 16 tries in 26 appearances and gaining inclusion in the Lancashire teams which opposed Yorkshire (scoring a try) and Papua New Guinea in 1987. Originally a back-row forward who has played on the wing and at full-back. Nine tries last season including ones in home and away meetings with Halifax.

LEO CASEY Recruited from St. Annes ARLFC in April 1985, this hard grafting prop-forward scored 3 tries in 8 appearances for the club in 1987-88. 7 tries last season.

JOHN COGGER An outstanding signing from Runcorn Highfield last season. This inspirational Aussie had picked up the Second Division Player of the Year award in 1987, and starred in Oldham's end-of-season matches, scoring a try hat-trick against Featherstone and totalling 6 tries for the club, to go alongside seven scored for the league's wooden-spoonists. Can play loose-forward or stand-off.

SHAUN ALLEN Appeared for St. Helens in 1985 and 1988 Premiership Finals and also in their 1984 Lancashire Cup winning side, gaining an Under 21 international debut for Great Britain against France in 1984. Played centre and in the back-row for the Knowsley Road club, joining Oldham, initially on loan, last season, scoring a try against Widnes.

PAUL LORD Signed from Stanley Ranger ARL as a stand-off, but recently playing on wing. Represented Yorkshire at U/19's level and Gt. Britain. Has great pace.

COLIN HAWKYARD Current beneficiary and an unsung workhorse of the Roughyeds pack, being a frequent scorer and a tireless defensive player. 3 tries in 27 appearances in 1987-88, and a further 4 last term. Played for Oldham in the 1988 Lancashire Cup Final against Wigan. Had a 3-match loan spell at Huddersfield in 1981-82.

KEITH NEWTON Strong back-row forward signed from champions Widnes last season, opening his try account for Oldham with two in the 40-9 Cup win at Dewsbury in the first round. Added another two in a big defeat of Featherstone at Watersheddings.

GARY HYDE Another of Tony Barrow's recruits, joining Oldham from Castleford, after winning Great Britain Under 24 international honours as a centre in the early 80's. Has played centre and loose-forward for Oldham, scoring the first of four tries in a 23-22 defeat at Salford. Played in 7 major Finals for Castleford, including their 1986 Wembley defeat of Hull K.R.

BRETT CLARK St George half back who has recently signed a 1 year contract for Oldham. Will need no introduction to Saints fans. Brett played at Knowsley Road in the 1986/87 Season. One of the most popular of Saints' recent overseas signings.

Oldham continued to build for the future during the summer, with England Schools skipper **CRAIG MORT** (16) being added to the starlets already at Watersheddings. **NEIL FLANAGAN**, **TOMMY MARTYN** and **STEVE ENTWISTLE** all starred on the BARLA Youth tour of Australia this summer.

THE PERILS OF THE HOTLINE

I'm sure that fans of both Hornets and Oldham are hooked into their particular Hotlines on a regular basis, getting up to date information about the fortunes of their team. Most, of course get their "fix" from home as indeed they should but beware if using a work's phone. One of our mates was a regular caller from the office but reckoned without ... **The Itemised Bill!**

Try explaining that away. 47 quid was it? ouch!

THANKS

Talking about works facilities though, Dow Chemicals of Middleton Junction have been a great help this season by allowing us use of their faxes, phones, photocopiers and information technology equipment, without which this publication would never get finished.

CONGRATULATIONS

Rochdalian Simon Wystawnoha, formally with Mayfield U19's and now at Leeds Polytechnic, has been selected for the Gt. Britain Students squad to play France early next year.

TODAY'S REFEREE

Welcomed today for his first visit to Spotland is John Holdsworth, widely regarded to be one of the top officials in the world. Born in 1947, he qualified to grade 1 status in 1980 and since then has controlled many Internationals, 3 JPS finals, 3 Premiership Finals, 2 Lancs Cup Finals and the 1987 Challenge Cup as well as the first World Club Challenge in 1987. We wish him Season's Greetings and a good game.

Terrace Talk

Good afternoon everybody and a warm welcome to our near neighbours Oldham to Spotland. Today was marked down as a special day when the fixture came out, "Derby" encounters are always special, but with both teams leading the pack it's become vital for either side to take the points.

Hornets' display against Bramley in the last home match was disappointing to say the least, and it's to be hoped they can show a dramatic improvement today.

Hopefully, it was just 'one of those days', and I'm sure Mr. Agar had a few "words" with the boys after the match. Bramley worked hard for the victory, and have a good half back pairing in Carroll and Lister.

Still, let's forget that match now and concentrate on other things ... I see the Challenge Cup draw has been kind to us, giving us a home tie against Carlisle in the First Round.

No Doubt the Cumbrians will come to Spotland fired-up, but I feel sure Hornets will be in the Second Round Draw.

Today's visitors have a prelim home tie with Huddersfield, the winners being host to Workington in Round One. The League are finally getting to grips (pardon the pun) with the "Headhunters", you know ... those idiots who try and take a player's head off ... and about time as well. Steven Hampson was sent-off for a High Tackle v Leeds, and why players tackle up there anyway is beyond me.

They would do well to remember a saying my old coach used to say when I played Union ... "You can't run without legs!!" Very true that, don't you agree? So Tackle round the waist or legs and you'll stop 'em.

Despite the Hampson incident Wigan did remarkably well to gain a 10-10 draw at Headingley, and make themselves favourites for the replay.

That match has now been played, and whichever side has won, will make the semi-finals interesting.

So, what do the nineties hold for Hornets and R.L. in general? For Hornets things can only go better, maybe we are in for some good times in the next decade ... for the game ... surely the powers that be will make sure the game continues to go upwards, and will eventually take over soccer's mantle as

the No. 1 spectator sport.

Three divisions may become inevitable, and expansion too will be a factor, providing all the present member clubs are looked after.

My views on the 80's ... the game has progressed in the decade although media coverage could have advanced it further!!

Team of the 80's ... Wigan, without doubt, they are the games "flagship", and we should all try and copy the Central Park Style.

Supporters of the 80's ... Runcorn's tiny band deserve credit (and sympathy) for following the club through thin and thin!! They seem to have been bottom longer than the Titanic!

Player of the 80's ... Ellery Hanley ... I make no apologies for mentioning Wigan again, he's simply the best. A contender in the 90's will be Jonathan Davies at Widnes who is destined to be a "big" name in our game.

I see the R.U. are thinking of paying their top players, maybe to stop them turning pro? I realise money is a big factor when turning pro, but don't the R.U. realise many players turn to our game because it's far and away the superior of the two codes, and anyhow we all know the top R.U. men are **already** paid!!

Back to today's game, and a vital one it is. Oldham are going well this term, and were unlucky to make the drop last season, and Tony Barrow is doing a good job at Watersheddings.

Allan Agar too is doing great things here at Spotland, and both coaches can be pleased about events this far.

But the League Campaign is a marathon not a sprint (thanks Mr. Shawky) and plenty can happen between now and season's end.

No doubt Halifax and Hull K.R. will want a say in how things finish, and there's the Challenge Cup and premiership to look forward to.

So, the half-team report is good ... let's hope Hornets can graduate at end of term?

January fixtures see away games at Trafford (1st), Keighley (7th) and Home Encounters with Fulham (14th) and Whitehaven (21st) and that cup match v Carlisle (28th) and gives us plenty to watch in the first month of 1990.

Have a good new year, let's have plenty of "good natured" banter today, and let's wish both clubs success in the 90's. Enjoy the match.

OUTSTANDING FEATS IN THE 1980's

The 1980s produced many outstanding feats as follows:

Individual

Most Tries in a Match

VINCE GRIBBIN, SHANE COOPER AND CHRIS BIBB each scored six tries in a match. Gribbin was in the centre when he grabbed his half-a-dozen as Whitehaven beat Doncaster 64-0 in the first round of the John Player Special Trophy on 18 November 1984.

Cooper matched that when the stand off scored six for St Helens in a 64-2 Division One home defeat of Hull on 17 February 1988.

Then Chris Bibb raced up from full back to score six for Featherstone Rovers in an 86-18 John Smiths Yorkshire Cup first round home defeat of Keighley on 17 September 1989.

Most Goals and Points in a Match

PAUL LOUGHLIN OF St Helens, with 16 goals and 40 points in the 112-0 home defeat of Carlisle in the first round of the Grünhalle Lager Lancashire cup on 14 September 1986. The centre's total included two tries.

Team

Highest Score

St Helens, with a 112-0 home defeat of Carlisle in the first round of the Grünhalle Lager Lancashire Cup on 14 September 1986.

Highest Away Score

Leigh's 88-2 Division Two victory at Runcorn Highfield on 15 January 1989 also produced the widest winning away margin during the 1980s.

Highest Score by a Losing Team

Hunslet scored 40 points but still lost as Barrow went one better in a Division One match at Elland Road on 9 September 1984.

Highest Score Draw

There were two 32-32 draws during the decade. Hunslet and Swinton shared 64 points in a Division One match on 20 September 1988, while Huddersfield Barracudas drew 32-32 at home with Keighley on 17 April 1986.

REGAL TROPHY SEMI-FINAL — ST HELENS V HALIFAX — SATURDAY 23 DECEMBER 1989 KICK-OFF 2.15pm

Halifax are aiming for their first final appearance in the competition since they were the inaugural winners in 1971-72. Then they beat Wakefield Trinity 22-11 at Oldham when the tournament was the Players No 6 Trophy. This is only Halifax's third semi-final, their last being in 1984-85.

St Helens are appearing in their eighth semi-final with their one victory being two years ago when they went on to beat Leeds 15-14 in the Final.

Although this will be the ninth time a Division Two side has appeared in the semi-finals, Halifax are hoping to become only the third to reach the final and the first to win the Trophy. Hull lost 19-13 to Widnes in the 1975-76 final and the following season Blackpool Borough went down 25-15 to Castleford. Halifax and St Helens have met only twice before in the competition with each winning one as follows:

1972-73 (1)	Halifax	20	St Helens	22
1984-85 (3)	St Helens	8	Halifax	14

The record score in a semi-final is Wigan's 36-8 defeat of Leigh in 1985-86 with Warrington's 35-4 defeat of Widnes in 1986-87 the widest winning margin. There has been only one drawn semi-final, in 1980-81 Castleford and Warrington drew 5-5 at Wigan before the latter won the replay 22-10 at Leeds.

The record attendance for a semi-final was set in 1987-88 when 13,538 saw Leeds beat Wigan at Bolton Wanderers soccer ground.

Wilf George, the Halifax winger, has scored at least one try in all three previous rounds for a total of six as follows:

3-2-1

He has also touched down in the two previous Division Two matches.

TRY SCORING RUN

Andy Fisher of Featherstone Rovers has scored at least one try in five successive matches. The loose forward's sequence has brought him six tries as follows

2-1-2

Mark Preston of Wigan has touched down in five successive matches for a total of seven. The winger's scoring run is as follows:

1-2-1-1-1

Wilf George of Halifax has scored tries in five successive matches. His total of eight tries came as follows:

1-1-3-2-1

Mark Lord's try scoring run ended at six when the Rochdale Hornet's winger failed to score in the 25-18 home defeat against Bramley on Sunday. The try scoring runs of Andy Goodway, Wigan, and Andy Williams, Batley, both ended at five in weekend matches.

POINT SCORING RUN

Mark Aston took his point scoring run to 53 matches when he scored Sheffield Eagle's goal in the 18-2 Regal Trophy Third Round defeat against Castleford of Chesterfield. The scrum half's run has brought him a total of 430 points from 209 goals including 16 drop goals and seven tries. He has scored in every Sheffield match since the start of last season.

WINNING RUN

Oldham's winning run ended at nine matches when they lost 32-18 at St Helens in the Third Round of the Regal Trophy. There is now no team with a winning run of five or more matches.

St Helens have gone 12 matches without defeat, including a 12-12 home draw against Dewsbury in the Regal Trophy Second Round.

LOSING RUN

Runcorn Highfield losing run was extended to 25 matches when they lost 28-10 at home to Whitehaven on Sunday. They have gone 36 matches without a win including an 8-8 draw at home to Workington Town on 22 January 1989. Their last victory was 20-12 at home to Fulham on 30 October 1988.

MILESTONES

David Hobbs of Bradford Northern needs one try for a career century of touchdowns.

Shaun Edwards needs three tries for a career century of touchdowns for Wigan.

Keith Bentley of Salford needs three tries for a career century of touchdowns.

A CHRISTMAS MYSTERY

A dark night, a lonely road. A single figure wandering in the darkness. Caught in the beam of the headlamps, we stopped the car. "Are you o.k.?" A scrap of paper clutched in his hand, he collapsed in a heap on the pavement.

Back at the house the coffee began to take effect and, as he shook off his daze, the visitor told us his strange story ...

"I am not of this world. I am from a parallel universe where everything is a mirror image of the things here".

He told us how everything on his 'Earth' was the opposite to ours — how trains ran on time and how there were never any roadworks on their motorways. "What about Rugby League?" we asked, and he told us of the game in this 'backwards' world of his ...

"Mine is a world," he began, "... where Wigan fans know the rules and teams are queueing up to play in Blackpool. A world where Ray French talks sense and no-one laughs at Nottingham's floodlights, a world where Yorkshiremen talk in complete sentences and where people can get to Workington's ground without ending up at the docks ..."

He continued, "Mine is a world where Oldham fans understand the offside rule and Batley have a flat pitch, a world where

Swinton have a side that plays attractive rugby and where Jim Crellin's five year plan comes to fruition. It's a world where Fulham is only ten minutes down the motorway and their programmes only cost 50p, a world where Kurt Sorenson always tackles round the legs and where a home defeat of Mayfield doesn't warrant half a page in the local press."

As he spoke, this world of his sounded like paradise. All the things that he described would only make Rugby League better to watch.

"If you like the sound of it that much," he said, "why don't you come back with me?"

"But how do you go from this world to yours?" we asked.

"I came here through a large dark empty vacuum, a miserable wasteland, a void in time and space where souls shiver alone in a world with no atmosphere."

We started the car and headed for Station Road.

As we drove we asked how Hornets fared in this other world.

"Rochdale Hornets!!", he laughed, "They're crap."

The brakes bit hard as we screeched to a halt. "This is as far as we go together," we said, "We're staying here!"

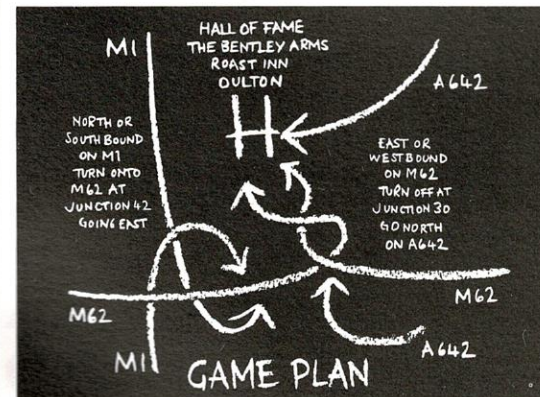

GO AWAY!

The nomads of Rugby League have finally found what they hope will be a permanent home in South Manchester at the MOSS LANE home of Altrincham Football club. At least this year's New Year's Day match is in the same part of the world, a fact one of the editorial staff is very pleased about as he won't be trying to rouse the writer at 7am this time. The best route is to follow the M62, M63 over Barton

bridge and round to Junction 7 (A56). This is WASHWAY ROAD and leads into Altrincham centre. Just past Altrincham Ice Rink, turn left onto BARRINGTON ROAD, and follow this road past the station and bus station (where it becomes STAMFORD NEW ROAD). Just past the bus station, turn left into MOSS LANE. The football ground is on the left about 3/4 mile down the road.

How to get yourself into the Hall of Fame.

The Hall of Fame is open throughout normal licensing hours and entry to those under 18 years of age is therefore limited. For further information ring: Leeds 820202.

Simply follow the tactics shown and enter a shrine dedicated to Rugby League.

It's at the Bentley Arms on the A642 (Wakefield Road) at Oulton, Leeds.

The portraits of nine league legends hang in the Hall of Fame, surrounded by the sporting memorabilia of the game.

Perhaps the closest you will ever get to a Wembley Final will be standing just a few inches away from Brian Bevan's 1954 jersey.

OLDHAM — THE ATHLETIC GROUNDS — THE FINAL ENCOUNTER

Good Friday April 1st 1988

HORNETS 6 OLDHAM 58

If Hornets had a choice of who their opponents would have been for their final match on the Athletic Grounds, I am sure the men from Watersheddings would have been their "Number One" choice. As it was fate decided that Hornets' last opponents on the ground they had occupied for over 90 years were their great rivals, who had made many an appearance on that historic venue. None more so than on 12th April 1924 when as Challenge Cup Finalists Oldham played Wigan attracting 41,831 to the Athletic Grounds.

As for the match itself it was a case of "no contest" as Oldham coached by Eric Fitzsimmons inflicted on Hornets, ironically, their heaviest home defeat in their history. Oldham were yards faster as they tore shreds in the Hornets' defence time after time. Oldham took the lead after four minutes — Foy spinning in for a try. Casey soon crossed to give Oldham a 10-0 lead. Whatever hope Hornets had of getting back into the game disappeared in the 18th minute when hooker Andy Ruane was sent off for a high tackle. Following this full back Mark Sanderson went off injured and Hornets were in complete disarray and further tries from Foy, Atkinson, and Ford gave Oldham a 24-0 lead at the interval.

It was all one-way traffic in the second half. Graham was lucky to stay on the field after a high tackle on Aaron Sawyer (it looked equally as bad as Ruane's). Then the one bright moment for Hornets as Sawyer scored the last touch down by a Hornets' player on the Athletic Grounds, after a fine pass by Neil Cowie. Oldham soon emphasised their superior pace as Foy completed his hat-trick, followed by tries by Ford and Walsh. Hornets seemed then to give up the ghost, Atkinson and Walsh soon crossed the line and substitute Irving had the significance of scoring the final try on the athletic Grounds.

In more ways than one this was a sad day for Hornets' followers, but no one could take away the fact that on the day it was Oldham who had all the class.

Amateur Review

There is one thing which is absolutely certain in the game of Rugby League these days, the amateur game has expanded beyond everyone's wildest dreams. The game is now being played almost everywhere in the country. From North East to South West, lads are kitting up of a weekend to take part in the world's greatest collision sport!

While the game at professional level is improving at all levels with better quality rugby, higher crowds, more media coverage and stronger clubs in its traditional base, the game at amateur level has spread throughout the country and, despite what the RFU propaganda bleats, Rugby League is, by a massive majority, a largely AMATEUR sport.

We cannot expect the pro. game to expand to all corners of the country unless these people know a little about it. Good foundations are laid via the grass roots of the amateur game, then a professional club in that area has more chance of success.

Due to the sterling work done by the team of development officers, youth rugby in particular has shown a massive increase in recent years. In the traditional RL areas, this will keep our game healthy for many years to come.

However, the game cannot go at breakneck speed into a great expansion programme without a serious examination of the existing parameters of each particular area. This is more apparent at the traditional base of the game, much closer to home. New clubs spring up all the time and, while this is great in an area new to the game, problems can arise when this goes unchecked in areas like Rochdale. Two new local teams are gaining credibility in the Pennine League, Smallbridge and Trafalgar, but Milnrow/Newhey have considered scrapping their 'A' team due to a shortage of players.

No-one is suggesting that new clubs deliberately "steal" players, it is a fact that a number of players move clubs at some stage and this has had an unfortunate effect on one club. In an area like ours there can only be so many players available at any one time, so the leagues and BARLA must keep watch in order not to let expansion take place at the expense of other clubs.

BARLA is a successful organisation, they must oversee the game at grass roots and decide its future. Let's look forward to the '90s with a sound base through a STRONG club network, with expansion where it is needed.
