Summer Sevens

WELCOME TO CENTRAL PARK SUNDAY AUGUST 11th 1991

A very warm welcome to Central Park for this traditional pipe-opener to the new Rugby League Season. It doesn't seem five minutes ago that Hull were parading the Premiership Trophy around Old Trafford. This afternoon, eight teams are to do battle for the Summer Sevens Cup sponsored for the sixth year by Whitbread.

The Sport on offer today has the accent firmly on entertainment and the day is generally enjoyed by both players and spectators alike.

The ins and outs of the close season are reflected in today's teams along with several possessing players appearing in new colours. Halifax and Leeds have new coaches while Peter Tunks took over at Oldham in the last few weeks of last season.

Yorkshire sides are well represented this year with Leeds, winners three times and runners up last year, taking pride of place. The Loiners' new coach, Doug Laughton has always been an advocate of open football and the shortened game is an ideal platform for this style of play.

Kenyan wing, Eddie Rombo will be in the blue and amber following a difficult first season in the 13-man code. His nine appearances brought four tries including a spectacular effort at Castleford but he could not hold down a regular place.

Leeds can call on a very strong squad this afternoon. Former Central Park scrum half Bobby Goulding, centre and goal kicker Simon Irving and John Gallagher could all be in line for selection today.

Red Rose representation takes the form of old rivals St. Helens and Oldham. Optimism for 1991-92 is rife at Knowsley Road as new signings Anthony Sullivan and Sonny Nickle further boost a squad that is well capable of challenging for major honours. The Saints style of football can leave their fans exasperated but given a sunny day and a form pitch, St. Helens could quite easily be celebrating this evening.

As a prelude to the Final this afternoon, the Ackers Schoolboy Sevens Memorial Trophy will take place featuring two local schools, both Wigan's Augustine O'Donnell and Chris Joynt of Oldham have appeared in this game before going on to become professionals.

MONIE TALKS

Allow me to welcome all Wigan fans to Central Park today for the start of the new season, its great to be back home.

I only flew into England earlier this week and at the time of writing news of Australian signings is still under wraps.

I will say though that there is a lot of talent back in the old country and that the club will leave no stone unturned to strengthen our squad for the forthcoming season which promises to be yet another thriller.

For some fans this season only starts on September 1st. Purists do not recognise friendlies or reduced format games as the 'real thing' but speaking as a coach, I regard them as important on two fronts.

Firstly, the wide open spaces of the Sevens provides fast, exciting football, great entertainment and a chance to take a look at the handling skills of both my boys and the opposition.

Secondly, the tournament provides us with the chance to take an early stock of the fitness of the players before the tough stuff starts.

I don't think we need to worry much about the latter. Fellow Aussie Bob Lanigan has been putting all the lads through their paces during the summer and, as usual, the results are impressive.

The young lads especially have come on leaps and bounds since Bob set up the fitness rotas, I think we can expect plenty of pressure for first team places coming from the squad this season.

When I left, the new Whitbread stand was just a building site, now I feel sure you will agree that the

finished product is quite superb. It puts the club ahead in terms of comfort and facilities and further enhances one of the best stadia in the game. Brewers Whitbread have contributed much towards the venture. I would like to thank them wholeheartedly for their support plus the sponsorship of today's tournament.

I offer a warm welcome to all the Whitbread employees and guests here at Central Park today and a special hand of friendship goes out to Colin Pedrick the Company's Free Trade Sales Director.

Also allow me to welcome all the other participating clubs here today. Let us hope we all share a fine afternoon's sport underneath some elusive English sunshine.

John Monie.

Extensive hard work has made **SUPER TEN** the biggest draw around and the townsfolk are still voting it the best, judging by their support.

1,100 lucky subscribers have shared £62,000 already paid out in prizes to date, and there have been numerous £5 consolation prizes on top.

Upon joining **SUPER TEN** each member receives a personal membership card with 10 chances of winning a prize, **SIX** days a week for just 50p subscription - that's just about 8p per day.

We are always ready to join up new agents and if you see yourself able to help, please contact our Promotions Office staff on 44367.

Don't worry about recruiting your members because we can do that for you - it's as simple as that.

Start the season in the right spirit - ring 44367 at the first opportunity. Let's keep the silverware at Central Park.

KNIGHTS OF CENTRAL PARK

With the new season approaching fast we will soon set a date for the next function. We are at the moment trying to organise a New Zealand Maori concert party to be a part of the evening's entertainment. We will also present the "Knights" player of the year, won again by Andy Platt, who was not able through holiday commitments to be at our last function. The quiz that was held at the Riverside club on 23rd May was an outstanding success and everyone that attended had a very enjoyable evening, the winners even more so. Prizes totalling £340 in cash were distributed to the lucky winners. For a membership fee of £2 per week you too could join the "Knights" and participate in the draw for £2,000 in prizes every week, and help in making Wigan the biggest and best Rugby Club in the world.

SUPPORTERS' ASSOCIATION

"Just one more boring Sunday before we get back to normal" was the comment heard from one of our fans at the beginning of August, and although 7's rugby is not exactly "normal" it does traditionally mark the start of a new season. As usual we offer a warm welcome to all the supporters, officials and players of all the competing teams.

TRAVEL

We begin the 1991-92 season with three away trips, the travel details being as follows:

1. **Sunday 18th August** - Locker Cup at Warrington. Coaches leave Central Park at 1.30pm. Adults £2.50, Juniors £1.80.
2. **Sunday 25th August** - Charity Shield v Hull at Gateshead. Coaches leave at 10am. Adults £7.00, Juniors £5.00.
3. **Sunday 1st September** - Castleford. Coaches leave at 1.15pm. Adults £5.00, Juniors £3.75.

Bookings for all of these trips can be made today at our shop on the Douglas side, or by telephone on 46371.

•• For those people who prefer car travel to coach we have details of how to get to Gateshead Stadium:

Follow A1(M) to end of motorway, then take first exit to join A6115 to Gateshead. Continue for three miles passing one roundabout. Stadium is on right.

MEMBERSHIPS

Membership of the Supporters' Association costs just £1.00 for adults and 50p for juniors (under 16's) per season. Supporters can renew, or join for the first time, at our shop on the Douglas side before today's 7's begins. Alternatively these can be done on the coach trips, but it is much easier to write out membership cards at a home game rather than on a coach.

DIARIES

The 1991-92 Supporters' Association Diaries are now available, price 50p. Contents include reviews of 1st team and Alliance achievements last season, plus statistics and action photographs.

Graham Garswood.

The Warrington "Touch Rugby" Sevens took place at Victoria Park, Warrington, in late July, and provided an ideal warm-up for the new season. Organised by Kevin Tamati, the competition was split into four sections, with six teams in each, the winners of each group going through to the semis, and then a final.

Wigan Squad:-

Steve Blakeley, Paul Gartland, Mike Neal, Augustine O'Donnell, Jason Robinson, Paul Stevens, Mark Welsby and 2 trialists.

The games were decided on tries only and the results in our section were:-

Wigan	4	Woolston	1
Wigan	3	Highfield	2
Wigan	1	Widnes	3
Wigan	4	Laportes	2
Wigan	2	Crosfields	2

Won 3 Lost 1 Drawn 1 = 7 points

As Widnes also won three, lost one and drew one the number of tries for and against were totalled. Wigan had 14 for and ten against, but Widnes had 14 for and 9 against, so Widnes went through to the semis.

Everyone in the Wigan squad played extremely well, with Augustine O'Donnell particularly outstanding. Of the two trialists one showed a great deal of promise whilst the other had little opportunity to show his talent.

The competition was won by a team of New Zealanders from the London area, taking the name "London Kiwis", beating Widnes in the semi-final and Warrington in the final.
