## Tunks' Talkback

Oldham's Coach  
gives you his views

WELCOME to today's fixture against our friends from Workington. We certainly haven't had it all our own way in the three previous clashes with the Cumbrians this year, so we certainly owe them something special this afternoon.

Workington have suffered at times an horrendous injury toll, which has certainly accelerated their unfortunate demise to the Third Division, but I'm sure they will bounce back and in the next couple of years establish themselves as the premier club from the North.

We also bid farewell to Logan Edwards today, as the popular Kiwi flew home on Wednesday with a fractured arm sustained on his last appearance for us against Carlisle last week. It is also a home debut for try-scoring machine Iva Ropati, who I'm sure will become a firm crowd favourite in the near future. He made a try-scoring debut last week which bodes well for the future.

Last week's win at Carlisle was full of merit as they are a particularly large side capable of beating anyone on their day. Big performances from Ian Sherratt and Neil Flanagan in particular helped notch our seventh successive win and it was also nice to see Scott Ranson score what we hope is the first of many tries for Oldham.

Get behind the team today, as we intend to exert more pressure on the two teams ahead of us and continue in this winning vein that has seen many individuals transform from "A" team players to genuine 1st team players with their careers ahead of them.

Enjoy the game.

# Skipper's Spot

Oldham Captain Neil Flanagan looks at today's game

OUR excellent away victory against Carlisle extended our winning streak to seven games and maintains our promotion push. Promotion, however, will depend very much upon Sheffield or Leigh slipping up and dropping points and us maintaining a 100% record to the end of the season. Unfortunately, we are running out of games, but you can rest assured that the team will continue right up until the final whistle of the final game on your behalf.

The Carlisle game was an excellent team effort, although it is extremely disappointing for poor Logan Edwards to break his arm in his last game for the side before returning home to New Zealand for the start of their season. The plus side is a new signing of fellow Kiwi Iva Ropati, who came off the subs' bench to continue his prolific try-scoring season, touching down in the final minutes of last Sunday's game.

Iva is an excellent player and it is a big bonus for the club to attract someone of his calibre with a proven record. It is a credit to Peter Tunks and his coaching staff and the overall Oldham set-up that Iva has signed for the club.

It is also a tribute to all the fabulous support of the Oldham fans. Your support is recognised as being amongst the best in the Rugby League and I am sure it is considered when new players are thinking about joining the club.

You can put this theory to the test this afternoon by getting behind the club as we strive to maintain the good form and our promotion push against Workington Town.

## A Watersheddings welcome to . . . Workington Town

**Colin Armstrong** (front row forward): Height 6' 3", weight 15st. 10lb. Began his pro career with Carlisle before moving on to Hull Kingston Rovers, from where Town signed him early last season for a reported record fee. Cumbria county cap. Appearances 1990/91: 31, 3 tries, 25 goals, 4 drop goals.

**Wayne Kitchen** (scrum-half): Height 5' 7", weight 12st. 8lb. A niggling injury stifled Wayne's progress last season. However, now fully fit he is set to make his mark in the game. Appearances 1990/91: 9+(2), 5 tries, 3 goals.

**David Lowden** (winger): Height 5' 10", weight 12st. 7lb. Having shown excellent attacking qualities as a full back in previous seasons, David had no problems when coach Ashton transformed him into a very useful winger, which is typical of David's enthusiasm for the game. Cumbria county cap. Appearances 1990/91: 34, 8 tries, 14 goals, 2 drop goals.

**Alan McMullen** (second row forward): Height 5' 11", weight 14st. Alan featured in all of last season's 36 fixtures, the only Town player to do so. Mr. Superfit, who always gives 100% of true Cumbrian grit. Voted player of the year by Town supporters. Appearances 1990/91: 34+(2), didn't score.

**Martin Oglanby** (loose forward): Height 5' 9", weight 13st. 7lb. A former B.A.R.L.A. open age international, good ball-handler with a fair amount of pace. The injury bug somewhat curtailed his progress at the latter end of last season. However, big things are expected of a fit 'Oggy' this term. Appearances 1990/91: 19+(9), 4 tries.

**Peter Riley** (front/second row forward): Peter is an aggressive runner, with a tremendous workrate. Voted young player of the year for 1989-90, however yet another player to suffer a prolonged injury last term. Appearances 1990/91: 16+(2), 1 try.

**Neil Rooney** (centre): Height 6', weight 14st. Another powerful runner with a good sidestep. Gained honours as a junior in Rugby Union, and now making good progress since switching codes. Appearances 1990/91: 24+(6), 6 tries.

**Gary Schubert** (front row forward): Signed during the close season from Carlisle for a fee fixed by tribunal. Gary should prove a useful acquisition for Town in what many feel has been a problem area of the pack.

**Ian Scott** (second row forward): Height 6', weight 13st. 7lb. Signed last season from neighbours Carlisle and settled in well. Should be a regular this term in what is becoming a formidable Town pack. Appearances 1990/91: 17+(6), 3 tries.

**Garry Smith** (full back): Height 5' 7", weight 11st. Fleet footed and a strong tackler, equally at home in the centre or stand-off. County cap. Appearances 1990/91: 19+(1), 1 try.

**Stephen Wear** (stand-off): Height 5' 9", weight 11st. 7lb. Elusive runner with a good footballing brain. Stephen looks to have a great future in Rugby League. Appearances 1990/91: 21, 6 tries, 42 goals, 4 drop goals.

**Dean Williams** (second row forward): Likeable Kiwi, who has made a great impression on the Town fans since joining the club last term. A very strong runner, with big-hitting defence. Appearances 1990/91: 14+(2).

# Hill's Highlights

Commercial Manager Ray Hill reports on the Watersheddings Scene

WELCOME to the second to last home league game of the season — and a match which will help determine our chances of getting promotion. Regardless of the outcome, we are already getting keyed up for next season. Coach Peter Tunks has been getting it right on the field, and we are looking forward to getting it right off the field, too.

That means we must make sure everything runs smoothly at the club, not just financially. We want to make sure that Oldham supporters can enjoy match days with the minimum of fuss.

That is why I am on the look-out for volunteers to help on match days to make everything run smoothly. There is plenty of work to do on match days and I really would appreciate anyone who wants to help contacting me at the club on 061-620 4870 to discuss what they can do to help Oldham.

I would like to take this opportunity to thank everyone who came to our dinner dance spectacular at the end of March at Royton Assembly Hall. It was a very well supported event and everyone I have spoken to since has said they thoroughly enjoyed it. I will be organising another one due to popular demand, so watch this space for further details.

Not only did we have a great time, but we also raised over £2,000 to help the club build for the future. Your support is very much appreciated.

Golf fanatics will have their chance to help the club on 7th May when we are holding our annual golf competition. This year is sponsored by Richard Cort, our local Rover specialists. This golf competition has always been a popular event and this year we are having a shotgun start at 2p.m. Twenty-two teams of four can enter the competition, so if you are interested make sure you contact me as early as you can to get your place in what should be an excellent competition. There are loads of great prizes to be won, including a brand new car for anyone who is successful enough, or just plain lucky, to get a hole in one. Many of the club's players will also be taking part in the competition, including Ian Sherratt, Tommy Martyn, John Maxwell and Duncan Platt. So make sure you don't miss out. Tee up with Oldham Rugby League — now and in the future.

THE contract for a new five-year sponsorship of the Silk Cut Challenge Cup is authorised by officials of the Rugby Football League and Gallaher, from left to right: David Oxley, Chief Executive of the Rugby Football League; Jim Elkins, Special Events Director, Gallaher Ltd; and Bob Ashby, Chairman of the Rugby Football League. The £2,325,000 backing of the historic Challenge Cup is Rugby League's biggest ever sponsorship, the final season of the record deal coinciding with the Rugby Football League's Centenary season, 1995-96, Silk Cut celebrating the landmark with a double payment of the annual fee.

# SPOTLIGHT ON IVA ROPATI

*New Zealand newcomer, Iva Ropati, on the run on his try-scoring debut for Oldham against Carlisle.*

PETER TUNKS and Oldham sprang one of the major transfer surprises of the season when the club signed New Zealand centre Iva Ropati from fellow promotion rivals Sheffield Eagles.

Iva (25), who currently heads Rugby League's top try-scorers' charts with over 30 touchdowns, signed for Oldham in an exchange deal that took Charlie McAlister across the Pennines.

Within a couple of days of signing for the club, Iva was in the side for the away match against Carlisle as substitute — and capped his debut by scoring a try in the dying seconds of the game.

Iva, naturally, was delighted with his opening game for the club he had pledged his future with for the next two years.

"Last Sunday was a big day for me — I felt very relaxed because everyone has made me very welcome at the club. I'm looking forward to my two years with Oldham helping the club to victory and giving the fans what they deserve," commented Ropati.

"I've been having a great season and it was great to start off my career with Oldham with a win — let's hope it is a sign of things to come."

Iva is now looking to settle in the town and will be moving into a club house in the next couple of days. His ambitions have been helped by the club also signing fellow Kiwi Se'e Solomona from Widnes.

## SEARCH FOR XXXX PLAYER OF THE YEAR STARTS HERE

WE want your votes! No, it's nothing to do with the General Election, this is your chance to reward two people who have really done their utmost for Oldham RLFC this season, both on the pitch and in the stands! Castlemaine XXXX is looking for a Player of the Year and a Supporter of the Year, and we'd like you to tell us who you think the winners should be.

Each month, Castlemaine XXXX has presented a Player of the Month award — Tim Street and Vince Nicklin are just two of the worthy winners. But who should take the XXXX Player of the Year trophy? This time the choice is yours!

## DO YOU KNOW OLDHAM'S TOP SUPPORTER?

WE'RE looking for a very special person to be XXXX Supporter of the Year, whose commitment to the club this season has been second to none. Last year's winner was Angie Farrell from Shaw, who never missed a match despite being wheelchair-bound. If you know anyone whose support for the club is so great, we want to hear about them. There's a super prize of two season tickets and a replica kit in store for the winner.

## ALL VOTERS ENTER THE PRIZE DRAW

YOU'LL have been given a voting form on your way into the ground. All you have to do is complete it, with the details of the people you wish to nominate — for either or both of the awards. Then hand the voting form in at the club shop, or post it to the address on the form, before 13th April.

Make sure you put your own name and address on the form, too, as all completed forms will be entered into a prize draw. The winner will receive a XXXX Aussiewear sports bag, as used by Oldham players, containing more XXXX souvenirs, so get voting now! All the winners will be announced in the next home match programme.

high-scoring matches.

The first, against Wakefield at home, saw the team lose 22-8 against a Trinity side that fielded a pack that wouldn't have been out of place in the First Division.

The score was deceptive, too, as Wakefield led 6-2 going into the last 10 minutes of the game, with Oldham on the offensive before the away team scored three late tries.

The second, a rearranged game away to Widnes, saw Oldham beaten 48-18 as the Chemics backs dominated the game, although Oldham's forwards grafted hard, with Tim Street returning from suspension. Street, alongside Conroy and Barrie McDermott, was always in the thick of the action, and scored to cap a fine performance.
