VIEW FROM THE BOARDROOM

This week we welcome our visitors from across the Pennines, Oldham, who at the start of the season were one of the favourites to gain promotion to the 1st Division. In welcoming their Officials, Players and Supporters the Villagers will be anxious to give a good account of themselves after slipping up against Featherstone last week. Oldham currently occupy 2nd spot in the table, only Featherstone are above them and then only on goal average. We are in 4th position having won three out of our six opening league games. The results have been somewhat topsy-turvy but is only to be expected in a Division where there is little to choose between any of the sides. With each club playing the other on no less than four occasions there are bound to be some surprises during the season and whilst the men from Watersheddings will on paper be favourites today we are sure that Maurice's men will try and defeat the odds as they have successfully done so in the past.

Returning to last weeks defeat at the hands of Featherstone, whilst our opponents were clearly the better side the missed penalty by Dean Creasser and a hair-line decision against Norman Francis, when he was in the clear, didn't help the Villagers cause during the first half. Featherstone were somewhat flattered by their victory aided by a try which the referee subsequently admitted resulted from foul play when the ball was taken from Norman Francis illegally, but unfortunately at the time the referee's view was obstructed.

One good feature of the game was the highest home league attendance of the season 1727 and whilst there was a sizable following from Featherstone it is recognised that the home support was above average and we can only hope that this continues. The black mark was the serious injury to Dean Creasser which gave

Wayne Freeman a chance of another first team appearance. Outstanding in the Villagers side was Sonny Whakaru, back to his best, and Norman Francis was far more to the fore than in other games.

Our visitors have only suffered one defeat themselves this season and that also was at the hands of Featherstone. Last week they achieved the narrowest of victories at Rochdale Hornets by 21 - 20, we understand that outstanding for them in this game was Iva Ropati. Try scorers last week included former Huddersfield favourites Wally Gibson (2) and Stuart Cocker. Mention of Stuart Cocker reminds us of the strong connection that he has with the club through his father John who is one of our patrons. John is licensee of the Royal Hotel in Morley whilst Stuart has just taken over the licence at the nearby Brunswick. Reverting to last weeks home defeat one feature of the game was the presence on the field of the Featherstone physiotherapist (or was it one of their coaches). He seemed to be on the field as much as the actual Featherstone players, finding any old excuse to come on with the magic sponge even when it looked as if nobody on the Featherstone side was in need of the same. At one stage he appeared as if he was in the Featherstone attacking line-up and we wouldn't have been surprised if he had actually run with the ball, he seemed to doing everything else!

Joking apart, it does seem as though referees will have to be far more vigilant in spotting that when the medicine man comes onto the field he is actually treating an injury and not just offering words of guidance that have perhaps been handed on to him by the coach in the dug-out or as seems to be even more popular these days from a coach seated in the stand with the walkie

talkie intercom to the bench, near at hand, perhaps this is a task that the two linesman could have of supervising.

Off the field the Wednesday market and Sunday car boot sales continue although there are vacancies for traders on the Wednesday and room for car owners on Sunday. The £50 match day raffle is becoming very popular and we urge you to continue to support the same in the continual struggle to keep the club afloat.

This is our last home game until Sunday the 8th November when our opponents at McLaren Field kick-off 3.30 p.m. will be Carlisle Raiders in the 1st round of the Regal Trophy. We also meet them a fortnight later at home in the league but a good cup run inspires morale in the players as well as helping the funds coffers. The Regal Trophy game has normal league admission prices but members and patrons should note that in accordance with the rules of the Trophy admission is 'all pay', the gate being shared, after specific deductions, with the opposing team.

Next weekend is a blank date as it coincides with the World Cup weekend at Wembley. There will be very few Rugby League supporters in this country who will not realise that Saturday the 24th October at 2.45 p.m. at Wembley is the start of the World Cup Final. We would like to take this opportunity of wishing the team well. Malcolm Reilly has gradually built up a squad which can face the Australians without being disgraced. In some peoples eyes Great Britain are the favourites, having home advantage, but whilst the last time the Australians played at Wembley they were defeated one should not rule out the Aussies gaining their revenge, when it really counts. A lot will depend on the forward battle and it is pleasing to note that the Great Britain management have taken note of the fine form show by Kevin Ward and included him in their squad. Whether he will start the game on the subs bench is a matter of conjecture but along with Platts and Skerrett these are prop forwards who can hold their own with anybody

in the game.

Incidentally there are still some seats left for this game and whilst it is being shown live on BBC T.V., nevertheless nothing will quite compare with the atmosphere that there will be at Wembley on that day. Watch out especially for the pre-match entertainment which we are assured is going to be stunning. Anybody still requiring a ticket should contact the Rugby League Headquarters (Leeds 629991) during office hours. One final point on the World Cup is that it is interesting to note that the referee is Dennis Hale from New Zealand who came in for a lot of stick on the recent overseas tour by Great Britain, with regard to the warning apparently given to Eastwood about the delay in taking goal kicks. Did that fact have anything to do with Eastwood not now being in the squad?

THE NEXT LEAGUE GAME

This is against Rochdale Hornets on Sunday the 1st November at Rochdale kick-off 3.00 p.m. The Villagers will be keen to avenge their home defeat by 20 points to 12 and is intended that the Supporters Club will be running coach transport to that game, enquiries should be made about travel arrangements in the McLaren Bar today or from Andrew Reid at the Club offices. We hope that as many as you are able, will travel to support the team, the vocal support is much appreciated by the team on these away fixtures and helps to make them feel at home!

ALLIANCE TEAM

Unfortunately after the success of victory in the 1st Round of the Yorkshire Senior Cup against Huddersfield, they lost last week against Hunslet at Bus Vale by 29 points to 14. Whilst the margin might seem rather large, in fact, Hunslet scored only one try more than us but they were successful in five more conversions and this counts for the big difference in the scores. The Bramley try scorers were Morse, Sharpe (returning to something like his old form) and

Wigglesworth, Morse was successful with one conversation. Ray Abbey was, we know, disappointed with the result and we are sure that he will be exerting his team to improve their defensive discipline in future games.

The 2nd Round of the Yorkshire Senior Cup was to be played yesterday against Dewsbury on Batleys ground with a lunchtime kick-off. Details of this result and games in the future will appear in subsequent programmes. The next scheduled Alliance League fixture is against Dewsbury at home on Friday the 30th October, kick-off 7.30 p.m.

RUGBY LEAGUE ADMINISTRATION

Maurice Lindsay, the former Wigan Chairman and current Great Britain Team Manager, having been selected to take over from David Oxley, as Chief Executive of the Rugby League, we hope that he will seek to promote the 2nd and 3rd Division sides as much as Chapeltown Road has done for the 1st Division teams. It is disappointing to note that even with a Council member from the 3rd Division that the media continue to ignore the 2nd and 3rd Division except for odd moments when providing the scores of the weekend matches. It appears that no 2nd or 3rd Division game will appear on Sky either on the live Friday night game or telerecorded Sunday game nor, in fact, any selected highlights in the Boots 'N' All chat show on Monday night. Whilst we have mentioned this omission before in these programme notes it may be that now is the time for supporters to write to the Rugby League Authorities and even direct to Sky perhaps pointing out that here at Bramley we have a story to tell. A team of apparent no-hopers gaining promotion at the same time using the the Ground facilities for commercial purposes. Surely a camera team would be well rewarded if they came to McLaren Field on a Sunday to see the operation of the car boot sale in the morning followed by 2nd Division home game in the afternoon - what about it Sky!

INJURIES

Dean Creasser will unfortunately be out for anything up to 3 months as a result of the broken arm sustained in last weeks Featherstone game. We have better news of Steve Edmondson who has recovered from the facial blow which resulted in the sin-binning of Mike Kuiti in the Rochdale game and he is available for selection this weekend. Greg Shuttleworth our loan player from Huddersfield is still unfortunately not fit for selection. Simon Brier our Alliance winger broke his arm on the 4th September at Huddersfield but has just returned to training.

FACILITIES

This is just to remind spectators that the McLaren Field Bar underneath the main stand is licensed on match day afternoons and also serves light refreshments. In addition to the existing toilet facilities at the rear of the main stand, there are others for both ladies and gents situated on the Stanningley Road side of the ground at the end of the main stand.

FOOTNOTE

In last months Open Rugby Magazine Greg Shuttleworth came top in the scrum half's section whilst Sonny Whakarau occupied the same position in the second-row selections. There were also mentions for Darren Coen (3rd top full back), Dean Creasser (5th Centre), Michael Twigg (4th rated stand-off), Dean Blankley (runner up in the hooker position), and Paddy Lyons (5th in the loose-forward section). If these selections are to be believed then the danger men for Oldham are Hugh Gumbs, top rated winger, Tommy Martyn, top rated stand-off, Mark Sheals, top prop whilst full-back Sean Tyrer, scrum-half Sean Devine and loose-forward Richard Russell also got nominated in the top 5 players in their respective positions in the 2nd division.

OUR VISITORS

OLDHAM

MARK SHEALS Rugged, hard-working prop, who joined Oldham in a three-for-one exchange deal with Leigh in the summer of 1992. To Leigh went Tim Street, Kevin Newton and Duncan Platt as Oldham boss Peter Tunke finally got the man he had been chasing for more than a year. Won a Lancashire Cap last season but missed his county debut due to suspension.

SEAN DEVINE A 22 year old scrum-half, whom Oldham boss Peter Tunke also received an exchange deal. This time it was with St. Helens, Oldham receiving £50,000. Devine and Back-row forward Paul Jones for Great Britain under 21 forward Chris Joint.

MARK MEADOWS A second-row forward, who had seen service with Swinton and Trafford Borough when Tunks snapped him up on the eve of the 1992-93 season from the new Blackpool Gladiators Club, who took Sean Allen in a straight swap.

HUGH GUMBS A young winger from Yorkshire, who signed for Bradford Northern when David Hobbs was boss, had a spell with Batley and then signed for Oldham as a free agent in the summer of 1992. Went to Australia that summer in students world cup.

STUART COCKER Yet another of Tunk's famous wheeler-dealer signings, Cocker joined Oldham in the deal that took Neil Flanagan and Des Foy to Fartown, a try poacher ... well known for his scoring habits ... Stuart scored twice in each of his first two games for Oldham against London Crusaders and Carlisle.

PAUL JONES At 6ft 3ins and 17 stone, Leigh based Jones had more than 60 senior appearances for St Helens behind him, albeit many of them as substitute, when he signed for Oldham with Sean Devine in the Chris Joynt deal.

BEN OLSEN This Danish born forward made a name for himself with London Crusaders and signed for Oldham in the famous swoop-shop summer of 1992 with winger, Richard Blackman, a Londoner returning "home" to join the Crusaders at Crystal Palace.

TINY SOLOMONA A Kiwi of Western Samoan origin, "Tiny" signed for Oldham in early 1992 from Widnes, but did not make his debut until the start of the season because of groin trouble, has had two groin operations since the turn of the year but is playing at the top of his form now and won the man-of-the-match award in Oldham's first round Lancashire Cup win against First Division Club, Warrington.

STEVE KERRY Former Preston Grass Hoppers R.U. Half-back turned professional for Salford for whom he was a prolific goal scorer and he topped the R.L. points scoring list in 1990/91 when Salford won the end Division Championship with 427 points. Can play equally well at stand-off or scrum-half and was long admired by Oldham Coach, Peter Tunks before he finally got his man in September 1992.

SEAN TYRER Son of Colin, the former Leigh and Wigan goal-kicking full-back, Sean followed in his father's footsteps when he signed

at Wigan after winning many BARLA Youth Honours. Played several 1st Team Matches at Central Park when Graham Lowe was boss, eventually joined Oldham for a bargain £5K in 1991.

DAVID BRADBURY Signed from Leigh Miners after touring New Zealand with the BARLA Under 19 Squad. David is a strong running loose-forward, who impressed on Oldham's pre-season tour of France.

IVA ROPATI A member of the famous New Zealand Footballing Ropati family, Iva was the top try scorer in the Country last year. A new signing for Oldham and an exciting prospect for the team.

SCOTT RANSON Twenty four year old St. Helen's player and the top try scorer from his former club, Swinton. Signed for Oldham in March 1992.

SHANE TUPAEA Ex New Zealand player. Signed for Swinton then Rochdale. A hard tackling defensive second-row forward.

IAN SHERRATT Former Oldham and Lancashire schoolboy. Left Oldham for Salford and returned last season. A hard grafting prop-forward.

RICHARD PACHNIUK A 20 year old from Dewsbury with Polish grandparents. Richard started in the "A" Team 1990/91 season. A clever, creative thinking type of hooker, he is expected to go a long way.

RICHARD RUSSELL A local lad who "arrived" home at Watersheddings via Wigan. Played for Wigan on the wing in the World Club Championship against Manly but is now regarded as stand-off or loose-forward. Creative player with an excellent pair of hands.

STEVE WARBURTON Steve was the BARLA Open Age International stand-off season 90/92. He signed for Oldham from Warrington Amateur Club. Woolston and made his debut as a substitute against Hull in the last match of the 90/91 season. Did well and enhanced his reputation further in France. A clever, attacking player with poise and class.

BARRIE McDERMOTT Strong and powerful despite his 20 years. Local boy Barrie is yet another member of the BARLA squad to throw in his lot with Oldham. He is a dedicated young professional and has quickly made enough impression to earn a place on the bench in Oldham's last season matches.

TOMMY MARTYN A player of exciting potential, Tommy is the son of former Leigh, Warrington and G.B. forward Tommy Martyn and the nephew of Mick Martyn, who set scoring records as a forward in the early 60's he is a stand-off or centre, who can "sniff" tries out of nothing ... "poacher" of the rugby league variety who can turn a match on a stroke.

GARY CHRISTIE Fast winger and yet another member of the BARLA International Youth squad. Oldham clearly believe in youth policy. Gary was top try scorer in New Zealand.

MEET THE PLAYERS

Michael Twigg

He is 24 years old and our newest recruit from Australia, having signed with the Club until the end of the season. After playing Junior football in New South Wales he joined Canberra Raiders, one of the Winfield Cup sides and was with them for just short of 4 years. He made a number of first team appearances with them including the highlight, a substitute appearance in the Grand Final against Penrith just over a year ago. This is his first visit to this country and whilst he assures us that he is enjoying his stay he does describe the weather as "diabolical". Besides being a professional Rugby League player he has another string to his bow in that he is a greenkeeper, but there is no truth in rumour that the only reason that Bramley acquired Michael was so that he could work on

improving the ground surface.

Although he had only been in the Country for approximately 72 hours when he made his debut in the Yorkshire Cup defeat at Bradford he scored a well earned try, besides being top of the tackle count statistics that day. In his next outing, the win against Swinton he was instrumental in providing the pass for Darren Cohen to score our opening try, when the teams were tied at 6-6 he then came up with a well taken drop goal to edge the Villagers ahead. In the two games against Rochdale Hornets and London Crusaders his defensive work has been outstanding.

If his start is anything to go by he is sure to make an impact on the British Rugby League scene.
