Welcome to Hilton Park.....

Welcome tonight to all those officials, players and supporters of Oldham Bears and to our own loyal supporters.

Everybody is awaiting the opportunity to watch our players perform against Super League opposition and the increased fitness and speed levels that ought to be on show here tonight.

Obviously two of the great differences between ourselves and Wigan St. Patricks was the fitness levels and speed at play the ball - it will be interesting to compare those tonight against the Bears.

Next Sunday's crucial Silk Cut Challenge Cup game versus Sheffield Eagles at Hilton Park (K.O. 3p.m.) will provide some measure for Keith and his team, and yourselves, to compare progress.

We are all delighted with the positive response you are making measured in higher attendance levels. Please keep backing us and coming in through the gates. Let's hope we can get another high attendance for the round of the cup.

Finally, why not snap up one of our value for money Season tickets on sale now at the club shop.

Remember you can purchase an 8, 9 or 10 match Season ticket and that purchase will guarantee you reduced prices in the premiership league games at home at the end of the season.

Enjoy the game.

Mick Higgins
