

HUNSLET HAWKS V OLDHAM

11 JANUARY 1998

Good Afternoon - Welcome back to the Stadium for another Season of Rugby League. We offer a special welcome to our old friends from Oldham for this friendly match. A few months ago it was doubtful that Oldham would even have a team this season but thanks to the efforts of the dedicated followers of the Club they are still a member club. I believe that this is their first visit to the South Leeds Stadium, we hope that they have an enjoyable stay with us.
