available on request.

Your Host
Malcolm Lord

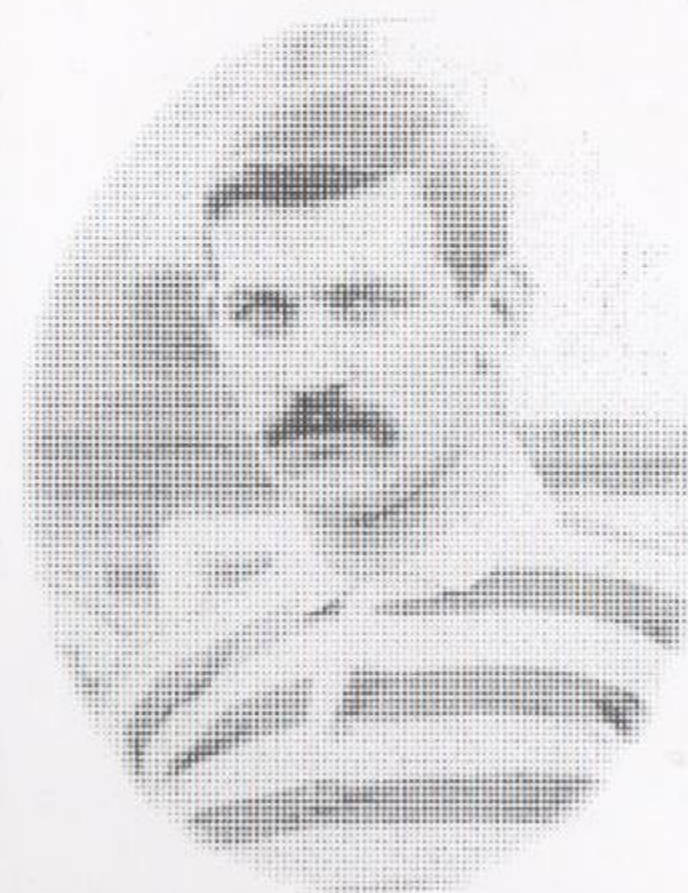

Presents an evening with
Charlie Hale

Plus disco by
'Starshine'

The first ever **Rugby League International** was in 1904, England versus Other Nationalities. Scotsman and Oldham forward, **George Frater** captained the Other Nationalities side. Fitting therefore that the new Oldham Club's first ever representative player should be 'Scotsman' and forward **Graeme Shaw**, who during the close season was selected and played twice for Scotland. Congratulations Graeme!

George Frater (1904)

Graeme Shaw (1998)
