Chairman's Chat

A warm Egremothian welcome to our guests today, Oldham Roughyeds, we hope you have had a pleasant journey to our beautiful area.

This is the 2nd time we have met at this stage of the Challenge Cup. Last time out Oldham just edged an enthralling encounter, lets hope for the same type of game today with the opposite result.

I am looking forward to offering true Cumbrian hospitality in our newly re-furbished Club after the game as we were unable to last time due to it being an evening kick off and Oldham having to dash off.

Guests of the Club today are Billy McCracken and Hugh Waddell whom both played for Oldham and also coached and played for the Mont, I hope you both have a great day and meet many old colleagues.

We have a new Coach this season and it gives me great pleasure to welcome Colin Armstrong to our Club and wish him complete success. I am positive Colin and his coaching team of Rob, Skinner and Mally will continue to improve this young side.

As well as Club improvements, work is ongoing on the new pitch, thanks go to Alec Haggard, JMB and Tich for their hard work in overseeing this huge project. Also thanks to JMB for securing use of the old Falcon cricket field for our home games. Also the efforts of Ockle and Daemon for the work on getting that field ready for hopefully late March early April. Thanks also to the Windscale football for the use of their equipment.

A big thank you to the proprietors of the Copeland Stadium for the use of their super facilities and also theirs and Whitehaven Rugby Leagues help in staging this game, also a special mention to David Newton for the unseen work he does arranging things like Physio's, Doctors and liaising with stadium Officials. Well done Noddy.

I would also like to say to our Supporters today lets support the team in the correct manner and respect the opposition and todays officials.

It is good to see todays sponsors are Nuclear Management Partnership. I hope you have a great day with us and enjoy our service and hospitality. Your support is greatly appreciated. Thank you.

All that is left to say now is see you back at the Club for a couple of ales and a good chat.

Coaches' Crack

This is my first Coaches Crack as Egremont Coach. May I start by saying what an honour it is to coach a Club with the history and standing in the game of Egremont Rangers.

As some of you may know I played over 480 games in the professional game for Town, Haven, Carlisle and Hull KR. During my career I was coached by the likes of John Risman, John Atkinson, Roger Millward and Peter Walsh and I hope to use the experience I gained off them at the Mont.

I knew I had come into a well run Club, but it still shocked me how well it is run, some Pro Clubs would be envious of us.

My backroom Staff are superb, Rob Purdham is a great shoulder to lean on and Skinner is the font of all knowledge in Rugby League Coaching, then I have Mally's experience and also Club stallward Spud Hall to fall back on. I also have a strong general committee who endeavour to get everything we need to play this great game.

The first two games went to plan with excellent wins at Blackbrook and Walney, but I was really disappointed to lose at old foes Wath Brow. Even in defeat I saw some real positives, I thought the Brow got the rub of the green regarding the 2 knock on tries and in the end that was ultimately the difference between the two sides. I'm sure this Season some decisions will go our way which shouldn't, but that's Rugby League.

A good finish of 6th Last year was recorded so anything higher this year should be our aim. JMB did a great job the last few years and is a hard act to follow but I will try my best to improve on what John has done.

Today's Challenge Cup tie is a tricky encounter against Oldham which I am certain will test our young charges. But I'm sure with your strong support our lads will give a good account of themselves today.

Lets hope for an injury free season and a victorious one.

Colin Armstrong
